Find us on LinkedIn, Facebook, and Twitter!
Well here we are, it is July with our first taste of 100° weather. Finian, my wee baby horse, now close to 800 pounds, experienced his first horse show and my 53 year old knees could tell you a few things. My daylilies’ look great, the basil is booming, the catnip plant has exploded much to our feline residents’ delight, and I’m looking forward to gazillions of tomatoes. Aahh...life is good...and then I happened to channel surf my way to PBS’ Frontline “Dollars & Dentists”. Holy cow!

I will not go into detail or spill the beans. If you haven’t seen it, check it out online. The ADA has issued a statement stressing prevention and education as the heart of the solution to our nation’s dental health crisis. While PBS does raise some valid points, they did not address prevention, education, and no mention of the donated care dentists now provide...a whopping 2.6 billion dollars by one estimate. Frankly, not difficult to fathom, since CDS members provided a half million dollars in care in various programs.

So, back to a few things going on this summer and beyond...

In August, our revamped website and new face page will be launched. You will notice a redesigned logo and a more user friendly site. If not for Randy Stastny’s vision and hard work with technical committee members Andy Harris, Peter Suffield, and Rob Smith we wouldn’t be at this point. This is just a beginning and is an evolving project.

You will notice a new logo for our renamed charitable Foundation... “The Cincinnati Dental Society’s Oral Health Foundation”. Janet Berberich of Eye Candy Design worked tirelessly on the CDS logo and face page. She graciously donated the Foundation logo work. Thank you! This retooling of the Foundation will allow us to broaden our focus groups to include more than children.

An inventory of our current projects include...

The Roselawn Dental Center which provides ongoing dental care to children 3 to 18. We have a new scheduling coordinator, Judy Arnett, hired in July 2011. For those of you who haven’t met Judy, she is a bundle of energy, optimism, and can light up a room. As usual, we are always looking for new volunteer dentists, hygienists, and assistants.

“Leave No Vet Behind” will be back this fall with a few changes. These modifications will focus on complete treatment, including replacement of teeth. Thanks to our planning committee and those who have already signed up to volunteer. More information can be found in this Bulletin.

“Give Kids A Smile” has had many successful years and will be expanding into new territories. One of these projects, the brainchild of Dr. Rebecca Hayden, began this year at Lighthouse Youth Services. In a two day program at the community school, children aged 12 to 19 received education in nutrition, child dental care, access to dental care, brushing and flossing and habits. The secondary treatment was provided to six young women and their children. The impact was profound and the Lighthouse directors would like to repeat and/or expand the program. Another project in the works involves Su Casa, the Hispanic Center of Cincinnati; affiliated with the Catholic Charities of Southwest Ohio.

Donating Care? Write it Up! is an ongoing project where members can report donated care provided in their offices. This project was initiated by Mike Lee.

Dental OPTIONS is going strong. One patient a year in your office makes a huge impact. Thanks so much for all you do!

For those of you planning on attending the ODA, Friday night’s Callahan Dinner will be extra special. Mark Bronson will be honored as the outgoing ODA president. In addition, Tom Scheer will receive the ODA’s Marvin Fisk Humanitarian Award. Wow!!

**Have a great summer!!!**
Help is here for your difficult patients.

Dr. Sayre has over 30 years of experience with IV Sedation and difficult patients. Your fearful patients can be treated safely and comfortably with IV Sedation. We see patients who have anxiety, are gaggers, do not respond well to local anesthesia, physically and mentally challenged patients, and patients who have had a traumatic experience involving dental care.

With IV Sedation, we can perform simple restorative dentistry as well as more extensive reconstruction, periodontal care and extractions in as little as one visit. IV Sedation is very safe and your patients will have no memory of the procedure.

We welcome your professional referrals. Our goal is to work in tandem with your preventative care to create healthier smiles for your difficult patients.

Call Dr. Scott Sayre today. We will be glad to discuss your patient’s needs and how we can help you get them on the road to a beautiful, healthy smile, pain and anxiety free.

It is already July and I have no idea where the time went. Hopefully you have enjoyed your Summer so far. We will be gearing up for our 2013 continuing education program mailing soon, but I wanted to let you know the dates we have at this time. Keep in mind that we will have one additional speaker in our full series program, but at least this will get you started with planning your schedule.

Wednesday, February 13, 2013 with Daniel Becker, DDS
Friday, March 15, 2013 with Robert Fazio, DMD
Friday, April 19, 2013 with Davie Little, DDS
May 3, 2013 with Dennis Hartlieb, DDS
Friday, October 25, 2013 with Uche Odiatu, DMD

We will also have an additional program either the first quarter or second quarter of 2013 that we hope to have solidified very soon! This program will be perfect for you and your entire staff!

We have had a very good response to the June emailing of our “Leave No Vet Behind” program. Yes, it is back and we are looking for volunteers! Please see pages 15 and 16 of this Bulletin. If you have any questions just give me a call, 984-3222.

It is time again to remind you about our 2012 preferred providers that we introduced in January of this year -

- Cincinnati Insurance Companies - Malpractice Insurance, Mike Terrell 513-870-2361
- Enviro-Medical Waste - Waste Management, Colleen Harris 937-890-3100
- Huntington Bank - Banking, Krista Watchorn 513-624-2445
- Infintech - Merchant Services, Nick Voynovich 513-252-6657
- Kahny Inc. - Printing/Marketing, Sue Deters or Sarah Davis 513-251-2911
- Muzak - Message On-Hold, Bernie Moore 513-305-0173
- Shred-it - Document Shredding, Todd Schonberg 513-612-8732
- Transworld Systems - Profit Recovery, Laurie Boisclair 513-260-3207

If you haven’t had the chance to visit with them yet to see how they can help your practice it’s not too late. The reps from each company are always available to assist you. If you would like a copy of the brochure that was mailed in January, just let me know and I will be happy to send it your way, vicki@cincinnatidental.org.

As a reminder, this is the year all dental assistant’s radiology certificates will expire. We have added several more “Radiology Update” courses, which are included in this Bulletin. If these dates do not work for your office, please contact me. I am happy to conduct a separate course if there are more than 5 employees. In addition, our dental hygiene emergency medical course is scheduled for October 10, 2012 with Dr. Jimmie Harper. There is still room available and the registration form is included in this Bulletin.

Dr. Linda Smith, Judy Arnett, our Roselawn Dental Center Scheduling Coordinator, and I were at Su Casa in June and screened 48 children K-2. Many of these children need follow-up care, which will be provided at our Roselawn Dental Center. Therefore, we are in need of Spanish speaking volunteer dentists, hygienists and assistants. Please contact Judy Arnett if you are interested in helping out with the Su Casa children or would like to volunteer at our Roselawn Dental Center, Page 18. She can be reached at 513-379-0592.

Enjoy the rest of your Summer and before you know it, I will be seeing you at one of our upcoming programs or events!
Relax, you can trust your professional protection to Cincinnati Insurance

As a dentist, you know how important it is to put your clients at ease. The Cincinnati Insurance Companies know you have plenty to think about—caring for your clients, managing a successful practice and staying active in your community.

With a professional liability policy from The Cincinnati Insurance Companies, you can stay focused on your practice, counting on your policy to:

• apply on an “occurrence basis” instead of on a claims made basis
• require your consent prior to settling professional liability claims
• cover your corporation or partnership, employed and independent contractor hygienists and dental assistants at no additional charge. Separate limits of insurance give each individual insured superior protection
• offer optional prior-acts (tail) coverage to facilitate the move from claims-made to our occurrence form.

You can also feel confident knowing that your policy comes from a company that has superior financial strength according to A.M. Best Co., an independent provider of insurance ratings since 1899. Our A.M. Best Rating places our standard market companies among the top property casualty insurer groups.

For more information, please contact your local independent insurance agent representing The Cincinnati Insurance Companies. Visit www.cinfin.com, or call Mike Terrell at 800-769-0548, to locate an agency near you.

AFTCO is the oldest and largest dental practice transition consulting firm in the United States. AFTCO assists dentists with associateships, purchasing and selling of practices, and retirement plans. We are there to serve you through all stages of your career.

Call 1-800-232-3826 or visit us online at www.aftco.net for a free practice appraisal, a $2,500 value!

AFTCO is pleased to have represented all parties in these transactions.

Helping dentists buy & sell practices for over 40 years.

Smitha M. Reddy, D.D.S. has acquired the practice of John K. Boedigheimer, D.D.S. - Sidney, Ohio

Theresa L. McKinney, D.D.S. has acquired the practice of Theodore S. Jarvis, D.D.S. - Englewood, Ohio

AFTCO is pleased to have represented all parties in these transactions.
Call to Order: President, Dr. Patty Walter, called the meeting to order at 7:00 pm.

Roll Call:
Members Present: Brandt, Chopra, Dorr, Glogowski, Hanlon, Harris, Heck, Kluener, Murdock, Parker, Pick, Schaeffer, Stastny, Suffield, Walter and Wauligman

Members Absent: Newby

Guests Present: Drs. Mark Bronson and Mary Ellen Wynn

Executive Director Present: Vicki Nixon

The February Council Meeting Minutes were unanimously approved as posted.

Guest Reports:

Ohio State Dental Board:
Dr. Mary Ellen Wynn reported that any dentist who failed to renew his/her license by March 31, 2012 has had their license suspended. Non renewing hygienists had their licenses suspended on January 1, 2012. Hygiene license status can be verified on the OSDB website.

ODA EC/Ad Interim Committee/Finance Committee:
Dr. Mark Bronson reports HB 497 (capping reimbursements for non-covered services) has bipartisan support. The Senate version of the bill should be released soon. SB 294 (refining hazardous waste disposal classifications) is likely to exclude dentists. Enforcement of Ohio’s HB 93 (“pill mill bill”) may result in the suspension of some dental licenses.

ONN radio (Ohio News Network) has negotiated very favorable rates for a dental advertising campaign. Topics covered include: midlevel providers, the importance of routine dental care, etc. Listeners will be encouraged to patronize ODA member dentists. 2012 tripartite membership of Ohio dentists has increased by approximately 50. Ohio remains 49th out of 50 with respect to state dues levels.

UHCAN Ohio (Universal Health Care Action Network) negotiations with the Ohio Dental Association have come to a standstill. The Rocky Mountain Dental Association, a collaborative of ‘franchise dentists’ from Colorado, Missouri and Ohio (including “CareDent”), is spearheading a movement to appoint corporate dentists to various political positions.

An ODA “member summit”, whose goal is to encourage strong member relationships based on increased individual contacts, is planned. ADA council openings: Access-likely choose Ohio representative; Education and Licensure-likely choose Indiana representative. Many ODA council openings remain unfilled.

The President’s Report:
The previously submitted Bylaws Revision was unanimously approved by the membership in March. Raymond Walters College has officially been renamed. It will henceforth be known as UC Blue Ash. Patient transportation is being arranged to the UC Hygiene Department for recalls/exams. The UC Smile event, sponsored by DCP, will supply 68 children for screening by the hygiene students. Coordination of these treatment efforts with the Cincinnati Dental Society will be discussed at the next Access to Dental Care Committee meeting. Hygiene students will be taking their NERB exams on May 18, 2012 and the new semester will begin August 27th. Great luck to everyone!!

Walter/Harris: An updated version of the CDS logo was unanimously approved (Schaeffer/Kluener). Authority to create the new face page was given to the combined committees (technical and community relations). The February risk management program presented by Cincinnati Insurance Company was a great review. The March Member Event at the Reds Hall of Fame was attended by approximately 130 members, their staff and families. It was a very fun event.

Correspondence:
Dr. Mary Hanlon read a note from Dr. Roger Higley, in which he expressed his appreciation of the Member Event held at Maggiano’s.
Local Handpiece Service for Greater Cincinnati & Dayton

HAYES HANDPIECE COMPANY

Call BILL PALMER: 513-469-1591 or 888-446-9298

www.hayeshandpiece.com
Treasurer’s Report:

Dr. Matt Parker informed Council that the assets present in the CDS Investment Fund have increased by 6.5%. We have four CDs that will be maturing in late spring. Decisions regarding reinvestment are pending. There is approximately $375K currently held in Reserves, exceeding our minimum 60% threshold. However, registrations for the full series of CDS CE courses is down by approximately 25%, contributing to a projected year end deficit of $25K.

Policy Task Force Report:

Dr. Randy Stastny reviewed with Council the revisions made to the policies. It was also discussed to include the recurring operational disbursements in the policy manual. These are disbursements that were approved some time ago by the Finance Committee and allows the Executive Director to sign without having two signatures. These disbursements will be reviewed annually and approved by Council. The revised policies were unanimously approved (Task Force/Wauligman).

Executive Director’s Report:

Vicki Nixon reported that due to a lack of part time help, the Executive Office is utilizing an answering service to handle heavy phone traffic. Results have been very favorable. The search for an office assistant may continue after the summer months.

CDS Committee Updates:

Access to Dental Care-V. Nixon: The dental program conducted by local volunteers (CDS, GE, Colgate, Schein Dental, Crest Smile Shoppe, Gordon Food Service and the Boys and Girls Club) benefitting students of Lighthouse Youth Services was a great success. Using five different workstations, the foundations for oral health in adults and children were taught. In addition, six students and their children received dental treatment at the Crest Smile Shoppe. The Leave No Vet Behind program will more than likely take place again this year, striving to complete all needed treatment on a smaller number of vets.

Membership-Dorr: Two new members were announced: Christie Shroyer, DDS and Jerrod Dempsey, DMD. As of March 31, 2012, there were 23 non renews.

ODA Updates:

DCPDP-Hanlon: Insurance updates: ODA working with Delta to get out of network dentists, NOT patients, paid for claims when the patient is also covered by Medicaid. EBMC now allows dentists to opt out of “claim pay” processing for reimbursements; insurance companies are increasing scrutiny of the frequency of procedures performed; the market for individual discount plans/cards is expected to increase. The ODA is strongly encouraging voluntary compliance with Good Deed program. Compliance with mandated regulations would likely be more challenging. Many offices are already following the ADA’s BMPs and therefore are already in compliance. PLEASE—simply fill out the paperwork to become registered!!!

Efforts are underway to establish a mandatory, standardized level of emergency preparedness for dental offices. A campaign to increase utilization of the Carnation Dental Website (Ohio’s DR program) is being developed. The strategic plan for the DCPDP council includes increasing awareness of the benefits of organized dentistry to dental and pre dental students.

Subcouncil on the New Dentist-Parker: Michael Pappas, a second year dental student (OSU), has become very active in representing and encouraging involvement in ASDA.

Unfinished Business/New Business:

Matt Parker: The ODA, ODASC and Bank of America are working together to present a series of practice management seminars targeting dentists in various stages of their careers. Subjects include: practice startup, office expansion/relocation, practice profitability, practice transitions, etc.

Announcements were read and the meeting adjourned at 8:40 pm.
Our total financial solutions, tailor-made for the healthcare industry, are designed to keep your business growing and going strong.

We've worked with more than 2,000 healthcare providers, practitioners and organizations, on everything from individual wealth management to solutions for practices and institutions.

Our dedicated teams are ready to put that experience to work for you.

2012 Annual Golf Outing

June 11, 2012 at the Oasis Golf Club

The weather did not start out great for our annual golf outing, but it turned around quickly and became a gorgeous day. Over 60 golfers enjoyed the course, being with their friends and helping to raise funds for our Foundation, now named The Cincinnati Dental Society’s Oral Health Foundation.

We would like to thank our supports who also helped raise over $5,000 for our Foundation as well as to our golf chairman, Dr. Gregg Holtkamp. He did a fantastic job putting together a successful outing!

The Cincinnati Dental Society’s
Dental Hygiene Medical Emergency
Recognition Course

Instructor: Jimmie L. Harper, Jr., D.D.S.

Date: Wednesday, October 10, 2012  
Space is limited to 25, so please register early!

Time:  12:15 pm Registration, 12:30 to 4:30 pm Program

Location: The Cincinnati Dental Society’s Conference Room, 9200 Montgomery Rd., Bldg. G, Suite 20-A

Fees: $65 for CDS Members (Includes Associate Members)  
$80 for ADA Members and $95 for Non-Members

Course Description: The Dental Hygiene Medical Emergency Recognition Course covers the identification and prevention of potential medical emergencies and includes the following:

1. Medical History;
2. Recognition of common medical emergency situations;
3. Office emergency protocols;
4. Basic airway management;
5. Prevention of emergency situations during dental appointments; and

The course is four hours in length and fulfills the Ohio State Dental Board’s requirement of Dental Hygienists practicing under general supervision.

About the Instructor: Dr. Jimmie Harper, Jr., graduated with a DDS degree and a certificate in training in Oral and Maxillofacial Surgery from The Ohio State University. He has been a member of the Cincinnati Dental Society since 1989. He served as Assistant Professor of Clinical Surgery and Program Director for the Division of Oral and Maxillofacial Surgery at University of Cincinnati. Dr. Harper became board certified by the American Board of Oral & Maxillofacial Surgery in March of 1988. In July of 1999, he was approved by the Ohio State Dental Board to teach the Dental Hygiene Medical Emergency Recognition Course for the Cincinnati Dental Society.

In 2009 the “Leave No Vet Behind” program was born. Cincinnati Veteran’s who were not eligible for dental care at the VA Hospital or unable to utilize city dental clinics due to financial constraints received much needed free comprehensive care in 2009 and 2010. The Society has decided to repeat the program this Fall, but with a slightly different twist.

A sub-committee consisting of Drs. Ken Brandt, Becky Hayden, Matt Parker, Steve Reubel and Linda Smith discussed “what worked well and what did not work well” in previous years and came up with a game plan.

A set of criteria will be given to the primary care department at the VA Hospital. This will enable the VA to appropriately identify the veterans that meet the qualifications of our LVNB program.

**A Veteran with no dental insurance (including Medicaid), presents to the emergency department for dental infection/acute dental pain in last six months, repeated visits to the ER for same acute dental condition and who meet the federal government’s poverty guideline of 200%.

Due to the number of complicated cases involving multiple surgical extractions, medical conditions, etc., the sub-committee felt it would be best to establish treatment teams, headed by oral surgeons and periodontists. These specialists will develop treatment plans based on the results of the initial screening. General dentists will work together with either an oral surgeon or periodontist to complete the patient's care. Providing we can secure funding, general dentists and/or prosthodontists will be reimbursed for some of the lab fee for partials or dentures they want to provide this for their patient.

The number of patients we screen will depend on the number of volunteers we have for treatment. We will not be taking on the amount of patients we did in 2010, which was 228! For those general dentists who enjoyed being part of a treatment day or would prefer not be part of a treatment team don't worry! We will be conducting one treatment day at the Crest Smile Shoppe in November and you are also welcome to volunteer for the screening on September 22, 2012!

So, here is where you fit in. If you are interested in volunteering for the third “Leave No Vet Behind” program, please see page two (2).

If you have an questions, you are welcome to contact Vicki Nixon at 984-3222.

**Testimonials from Veterans**

Executive Director, Vicki Nixon, received positive feedback from Veterans who received free dental care. “I just saw Dr. Grady Gibson and he did a great job,” said Theodore Dickey. “I have never been to a dentist that is more caring for his patients than he is. I really appreciate what the Cincinnati Dental Society is doing for us veterans. I just wanted to thank you. It means a great deal to me.”

Veteran Marc Mariani was equally as thankful. “I saw Dr. Mike Grau yesterday for my extractions and I cannot tell you how much better I feel,” Mariani said. “He was wonderful and I cannot begin to thank you for what you are doing for the veterans in Cincinnati. Please extend my gratitude to all those involved. Thank you”.

Page 1
The Cincinnati Dental Society’s “Leave No Vet Behind” Program is Back and We Need Your Help!

Yes, it is back and we are ready to begin recruiting volunteers. Two years ago we were blessed with so many dentists and specialists who helped to provide over $240,000 in free comprehensive dental care to Cincinnati Veteran’s who were not eligible for dental care at the VA Hospital or unable to utilize city dental clinics due to financial constraints.

This year we are taking a slightly different approach so please take a look at the volunteer opportunities listed below and return this form to me by July 1, 2012. Additional information can be found on page _____ of this Bulletin.

Initial Screening Day - Saturday, September 22, 2012 at Crest Smile Shoppe in Avondale

_____ Count me in to help with the dental screenings. I understand the time commitment will be 8:00 am until around 1:00 pm. Yes, I can bring my own assistant. ________

Treatment Day - Saturday, November 10, 2012 at Crest Smile Shoppe in Avondale

Care on this day will consist of cleanings, restorations and simple extractions only.

_____ I am available to treat patients and understand the time commitment will be 8:00 am until around 1:00 pm. Yes, I can bring my own assistant. ________
_____ I am not available, but would be happy to provide care at my private office. Please refer ____________ (number) patients to my office.

New This Year - Treatment Teams

_____ I would love to be part of a treatment team.
_____ I am a general dentist and will commit to treating ____________ patients.
_____ I am an oral surgeon and will commit to treating ____________ patients.
_____ I am a periodontist and will commit to treating ____________ patients.
_____ I am a prosthodontist and will commit to treating ____________ patients.

_____ I am unable to volunteer. However, I would like to make a donation to support all of our community outreach programs. Please make check payable to The CDS Oral Health Foundation and mail along with this form to: Cincinnati Dental Society, 9200 Montgomery Rd., Suite 21-A, Cincinnati, OH 45242.

Meet Our New Scheduling Coordinator, Judy Arnett!

Judy Arnett has actually been with us for a year now and has been doing a fantastic job at running our Roselawn Dental Center. She has been a dental assistant for over 30 years and continues to work in various offices in her spare time. She is married to Dr. Gerald Arnett and has two children, one soon to be married. Please welcome Judy to our Society next time you see her at the Roselawn Dental Center or at one of our Society events!

Practice Transitions Event

- A Huge Success! -

Speakers, Jim Bolz and Dr. Egbert, presented a very informative program on “practice transitions” on May 30, 2012 at Stir in Montgomery. Whether they were current practice owners or doctors considering acquiring a practice in the future all, who attended came away from the evening with some very useful information.

Everyone seemed to enjoy the venue and extraordinary selection of food that evening. Stir is a very unique place to have an event so don’t be surprised if we have another one there in the near future!
The Cincinnati Dental Society’s Oral Health Foundation... serving the underserved in the Greater Cincinnati area

Volunteer Sign-Up Sheet for the Roselawn Dental Center
Only 3 to 4 Hours of Your Time is all we Need!

That's right only 1/2 day once or twice a year...you decide what fits best in your schedule. The children you will see have no access to dental care and their families are very, very appreciative of the services provided by the Roselawn Dental Center’s volunteer dentists, hygienists and dental assistants.

Profession: (please circle one) Dentist Hygienist Dental Assistant

Name: ___________________________ Phone: ___________________________

Email Address: ___________________________

The best day of the week for me to volunteer is: ___________________________

______ Please call me to schedule my day to volunteer. The best time to reach me is ___________________________ at the above phone number.

______ Please email me to schedule my day to volunteer at the email address listed above.

PLEASE RETURN THIS FORM VIA FAX (513-984-3047) TO THE CDS EXECUTIVE OFFICE.

THANK YOU!

If you have any questions or would like to speak directly with our Scheduling Coordinator, Ms. Judy Arnett, you may reach her at (513) 379-0592 or by email: scheduling@cincinnatidental.org.
Peer Review Committee Needs Members

The Ohio Dental Association House of Delegates through its Council on Dental Care Program and Dental Practice has established the peer review mechanism in Ohio. The strength of the peer review mechanism is the ability to function effectively, fairly and expeditiously. It is a public demonstration that Ohio’s dentists provide excellent care for their patients and that the dental professional has taken the initiative to correct problems that may arise. The goal is prompt, honest handling of disagreements by vigorous, fair review in a uniform and organized method that safeguards individual rights.

Peer review committees are fact-finding bodies of dentists serving voluntarily. They review, mediate and arbitrate differences between patients and dentists, and dentists and third party payers. They are concerned with, but not limited to, the quality of care and/or appropriateness of dental treatment. They attempt to solve these problems, clarify areas of misunderstanding, educate the participants and establish or re-establish communication where they do not exist.

If this sounds like something you would be interested in doing, please contact either Dr. Steve Pick, CDS Peer Review Chairman, (513) 793-3535 (tthpick@yahoo.com) or Vicki Nixon, (513) 984-3222 (vicki@cincinnatidental.org). General dentists are needed to help feel some vacant positions. The term limit is three years.

Yoga for Veterans

Classes will be held at the Scarlet Oaks Career Technical Center for Veterans and their Spouses starting September 6, 2012 from 6:30 to 7:30 pm for 10 weeks. The classes will focus on calming the mind, energizing the body and infusing the spirit with peace. Classes are free!

To pre-register call: 608-6209 or 741-7720 or 312-2214.

Partners: Goodtimers Foundation, Great Oaks CTC and Cincinnati Veterans Hospital
Welcome New Members!

We are pleased to introduce the following new members who have recently joined our Society. If a new member is located near you, put your best foot forward, give them a call and extend your welcome to them. Even better, invite them to our next CDS Member Event and introduce them to your colleagues!

Regular Members

Sarah L. Husted, D.D.S.
General Dentist
Practice: 1319 Nagel Road, Cincinnati, OH 45255, 513-474-6777
Graduated: 2002 from West Virginia University

Chris A. McDaniel, D.M.D.
General Dentist
Practice: 5188 Winton Road, Fairfield, OH 45014, 513-829-8080
Graduated: 2007 from University of Kentucky

Condolences

At the age of 88 Dr. George Lanz died on May 20, 2012. In addition to being a long time member of the Cincinnati Dental Society he was past president of The Cincinnati Gyro Club and The Ryland Lakes Country Club. We extend our sincere sympathy to his family and friends.

Mother of Dr. Arthur Ranz passed away on May 8, 2012 at the age of 83. In lieu of flowers the family asked that memorial contributions be made to the charity of the donor’s choice. Mass took place at Christian Burial at St. Ignatius Loyola Church. Our condolences to Dr. Ranz and his family.

Congratulations!

Rogers Family Dentistry is starting the “Anderson Academy of Dental Assisting” program in the very near future. The program takes 13 weeks and students will be taught in their private office. Congratulations on your new endeavor!

Congratulations 2012-2013 AEGD Residents

Some Sad News

We just found out that Mr. Bill Bigham suffered a stroke in October of 2011. He currently is at the Meadowbrook Care Center at 8211 Weller Road (45242). For those who know Bill the family is welcoming those to visit or send a card.
