“It was a pleasure to help such a well deserving group of people. They are so appreciative and thankful for what the Society and its’ members are doing to help the vets in Cincinnati” said Dr. Brenda Bertsch during the first phase of the next chapter. Dr. Bertsch, her husband, Dr. Bob Bertsch, and Dr. Linda Smith volunteered their time on May 1, 2013 at the Roselawn Dental Center taking impressions on five vets. A donation from the “The Gladys Wittmeyer Knox Foundation” has enabled CDS to help with the lab costs for those vets who are in need of removable prosthetics through our “Leave No Vet Behind” program. Although the donation is not enough to cover the lab costs for all vets treated, it is a great beginning! The work performed is coordinated with volunteer specialists and Greater C Dental Lab. Judy and Vicki had the pleasure of being part of the first day. “This is going to make a huge difference in their overall health” Judy said at the end of the day, which ended with a sense of pride.

A special thanks goes to (Drs.) Bob and Brenda Bertsch, Molly Brumfield, David Krill and James Weisbrot for their generous donation of supplies. We realize many of the volunteers provided treatment outside of the scope of the LNVB program and we want to thank you as well.
