Not all gaps are something to grin about.

As a dentist, you’re the expert on how to keep your clients healthy and smiling. Your local independent insurance agent representing The Cincinnati Insurance Companies can help protect you and your business from unexpected events and gaps in coverage. Cincinnati’s package and professional liability coverage give you the opportunity to take advantage of our three-year policy.

Visit cinfin.com to find an agent close to you who represents The Cincinnati Insurance Companies, or call Mike Terrell, 800-769-0548.
Evidence Based Dentistry

This is all the new rage “Evidence Based Dentistry.” The American Dental Association defines Evidence Based Dentistry as “an approach to oral healthcare that requires the judicious integration of systematic assessments of clinically relevant scientific evidence, relating to the patient’s oral and medical condition and history, with the dentist’s clinical expertise and the patient’s treatment needs and preferences.” (November 2014 JADA page 1105)

Wow is that a mouthful? That sounds exactly like “academia, lawyer speak”, to me. Maybe I am just too old school (graduated dental school 1970).

The first articles aimed at providing clinicians with “guidelines for critically appraising the evidence that informs clinical practice” did not appear until 1981. Ten years later the term Evidence Based Medicine first appeared (1991). The first article to use the term Evidence Based Dentistry was published in 1995 by Richards and Lawrence.

The first article to use the term Evidence Based Dentistry was published in 1995 by Richards and Lawrence.

This all begs the question what did doctors (DDS, DMD, MD, DO etc.) do to assess clinical practice before 1980? What did we do for 50, 100, 200 years?

Isn’t that exactly what it means to be a professional, to be a doctor, to be a clinician, to assess the evidence?

Maybe with all the modern information sources via the internet we have hit an overload of “evidence”. I truly believe in the use and need of evidence. But where you get that evidence, to me, is the most important question.

I feel that in our profession we should look to our organizations (the American Dental Association, Ohio Dental Association, and Cincinnati Dental Society) for the best evidence. I read the JADA every month and find it to be a great source. The JADA also references many other papers and peer review articles. Also colleges and study clubs are a good source because of their experiences and thus evidence.

One of the greatest sources of evidence is what we observe and find to work, over time, in our practice.

One of the greatest sources of evidence is what we observe and find to work, over time, in our practice.

I feel that in our profession we should look to our organizations (the American Dental Association, Ohio Dental Association, and Cincinnati Dental Society) for the best evidence. I read the JADA every month and find it to be a great source. The JADA also references many other papers and peer review articles. Also colleges and study clubs are a good source because of their experiences and thus evidence.

One of the greatest sources of evidence is what we observe and find to work, over time, in our practice. That is called experience and it is invaluable.

Use your available sources for Evidence Based Dentistry and remember “Don’t be the first dentist on the block to try something different but also don’t be the last.”
for getting a loan from someone who understands your practice.

Business Borrowing | for the achiever in you

Get financing from a banker who understands your practice and the importance of cash flow to help it succeed. PNC provides dedicated and experienced Healthcare Business Bankers who understand the financial needs of a successful practice, so you end up with more than just a loan, you end up with customized financing solutions.

When I first was hired I remember the search committee saying that the summers in the Executive Office are slow. Well, I can tell you from experience we have not had a slow summer yet! Sasha and I are busy working on our 2016 continuing education booklet. The goal is to have it ready for distribution in August. Listed in this bulletin are the dates and titles of the lectures. We have great news beginning in 2016. Staff will be able to register and attend a continuing education course at a fee of $160 per person for each course, regardless of whether or not their dentist is registered or attending. This is a major difference in how we have been handling staff attending courses in the past. Our Program Committee feel it is important to offer hygienists, CDAs, and EFDA’s an opportunity to expand their knowledge base plus obtain the necessary CE credits. Details will be included in the August mailing so please be sure to share this information with your dental team.

“House Bill 463 allows EFDA’s and CDAs to perform: application of sealants, topical fluoride varnish, disclosing solutions, desensitizing agents, caries susceptibility testing, oral hygiene home care, and the re-cementation of temporary and permanent crowns with temporary cement on patients of record without a dentist being physically present in the facility. The service may not be provided for more than 15 consecutive business days.” In order to perform these services, the Ohio State Dental Board requires EFDA’s and CDAs to complete a medical emergency recognition course if the dentist plans to have them practice when he or she is not physically present in the office. On Wednesday, September 16, 2015, Dr. Jimmie Harper, Jr. on our behalf, will be conducting an “Medical Emergency Recognition Course” scheduled to be held at our office. If we have more than 22 register for the course we will need to move to another location. Therefore, if you are considering having your EFDA’s and CDAs practice when you are not physically present please register as quickly as possible, so we have time to change venues. The registration form is included in this Bulletin.

Moving right along....

On November 6, 2015 we are having Chris Moore from the ODA down from Columbus to present an “Infection Control and Regulatory Compliance in the Dental Office” course. As a reminder, OSHA requires that your office have formal training annually, so you don’t want to miss out on this course. Details are in this bulletin.

The CDS Oral Health Foundation has been blessed with a donation from an anonymous donor for our charitable programs. This year LNVB volunteers who treat patients in their private offices will have the option of donating 100% of the care, or receiving up to 50% of their actual fee. It is simple - you help our Vets, we help you! So don’t hesitate to be part of our “Leave No Vet Behind” program. Details are included in this Bulletin.

“To err is human; to forgive is divine.” I believe Alexander Pope had me in mind when he wrote that quote. My human error is that I did not recognize Henry Schein Dental in the May Newsletter. They donated toothbrushes and toothpaste for the Health Gap event on April 25, 2015. I can’t promise I won’t make a mistake again, because, you know I am only human!

Have a fun, safe, and relaxing summer!
JOIN SDC’S NETWORK
And Get Back to What Matters Most!

Call to Order: The April Council meeting was held on March 30, 2015 and was called to order by president, Dr. Michael Schaeffer, at 7:10 pm.

Roll Call:
Members Present: (Drs.) Brandt, Chopra, Dorr, Glogowski, Heck, Khetarpal, Murphy, Newby, Osterday, Smith, and Wauligman.
Members Absent: (Drs.) Hanlon, Parker, Pick, and Walter.

The February 2, 2015 Council meeting minutes were approved as written.

Dr. Schaeffer introduced guests; Dr. Joe Crowley and Dr. Bert Jacob. Since Dr. Crowley had another commitment at 8:00 pm, he gave an overview of ADA activities before the meeting was called to order. In addition, he is running for ADA president and asked Council for their support. Dr. Crowley immediately left for his other commitment.

Dr. Bert Jacob discussed what the anticipated cost will be to run a campaign for ADA president and asked that we consider financially supporting Dr. Crowley in this area.

President’s Report by Dr. Mike Schaeffer
The ODA Day at the Statehouse went very well. The ODA Leadership Institute was well attended by Cincinnati and the speakers were very good. We need to encourage more young dentists to attend and possibly look into covering one overnight stay for any young dentist attending for the first time.

Council completed one final review of the amended Bylaws. Dr. Chopra made a motion to accept the amended Bylaws, second by Dr. Heck. The amended Bylaws were unanimously approved by Council. An email will be sent to membership informing them the amended Bylaws are posted on the website and that we will be voting on them at our April 13, 2015 CDS Member Event.

Treasurer’s Report by Dr. Chris Heck
Based on the preliminary March 31, 2015 profit & loss statement, continuing education is down compared to last year at this time. It may be difficult to make budget on CE income this year. In addition, the cost to renovate our two condos was about $35,000, which will be covered by the Capital Fund. Council agreed that the renovation was needed and will be a nice venue for members and study clubs to rent.

Executive Director’s Report by Vicki Nixon
For security purposes the Executive Office now has a different lock and entrance code from the conference room. The “Women’s Focus Group” is scheduled for April 30, 2015 at the Metropolitan Club. Each Council member received the CDS Leadership Manual. Vicki reminded Council about the April CDS Member Event and shredding event to be held on Saturday, April 25th. There is NO May 11, 2015 CDS Member Event.

Honors Committee Report by Dr. Wayne Wauligman
The Report of the Honors Committee was presented. Dr. Wauligman made a motion to approve the report, second by Dr. Newby. Council unanimously approved the report for submission to the ODA.

CDS Committee Updates
Access to Dental Care by Dr. Smith - A new event for CDS, Health Gap, will be held on April 25, 2015. The CDS Oral Health Foundation Board of Directors, at the recent meeting, decided to continue participating and supporting the following: Delta Dental Center at Oyler School, Deaconess Health Check at Western Hills/Dater High School, Fall Feast, Lighthouse Community Services Project, and Leave No Vet Behind program. The next meeting of the Access to Dental Care committee is scheduled for April 27.

Membership by Dr. Dorr - As of March 30, 2015 there are 42 members that have not renewed their 2015 membership. The breakdown is as follows: 25 Full Active, 2 Retired, 1-1st Year Out, 2-3rd Year out, 7 Life and 5 Graduate. Vicki will contact these members tomorrow to determine the reason for not renewing.
HELP is here for your difficult patients using IV SEDATION

We want to work in tandem with your preventative care to create healthy smiles for your difficult patients. We welcome your professional referrals with your patients that:

- Are fearful
- Are physically and/or mentally challenged
- Have a bad gag reflex
- Have high anxiety
- Do not respond well to local anesthesia
- Require general anesthesia with a certified anesthesiologist

Our 35+ years of IV sedation experience allow us to confidently support your regular care, only when you need it.

Our team can provide general dentistry, simple restorative dentistry, as well as more extensive reconstruction, periodontal care and extractions, all under IV sedation, helping you care for your difficult patients!

Call us today for more information!

(continued from Page 7)

Program - Next meeting is scheduled for April 20
Public & Professional Relations - Next meeting is scheduled for April 14

ODA Updates
Access to Dental Care by Dr. Smith - There has been a 1% increase in Medicaid fees proposed in the budget. The ODA continues to collect information on the donated care being provided statewide by members.

Dental Care Programs and Dental Practice by Dr. Chopra - Discussed the implementation of Resolution 11-14 (Age One Dental Visits Promotional Campaign), Substitute Resolution 14-14 (Hearing Loss), Resolution 18-14 (Medicaid Adult Preparation), and Resolution 19-14 (ODA’s Councils and Committees Review ADA’s Environmental Scan). Other matters discussed was dental care utilization, population demographics, Affordable Care Act and Dental Care Utilization, changing dental care delivery models, and Good DEED program.

There was no unfinished business.

Council went into Executive Session to discuss new business.

The meeting adjourned at 8:50 pm after Council reconvened.

Delta Dental Center of Oyler School - May 12, 2015

Officers from the American Dental Association visited the Delta Dental Center at Oyler School during their three day visit to Cincinnati. Accompanied by Dr. Joe Crowley, ADA 7th District Trustee, Drs. Maxine Feinberg (ADA president), Carol Gomez-Summerhays (president elect), and Kathleen O’Loughlin (Executive Director) attended a panel discussion immediately following the tour. Many thanks to our panelists for being part of this event and to the ADA for their interest in our school based dental center.

Panelists L to R: (Drs.) Lisa Rudolph, Marilyn Crumpton, Ivan Lugo, Patty Walter, and Wayne Wauligman. (Not pictured, facilitator, P.G. Sittenfeld, Cincinnati City Council Member).
We are responsive.

CDS Oral Health Foundation Golf Outing
Beckett Ridge Golf Club on June 5, 2015

With not a cloud in the sky and amazing summer like weather, it was the perfect day for a golf outing with friends and colleagues.

We would like to thank our golf co-chairs (Drs.) Ken Brandt and Steve Pick. They did a great job coming up with fun and interesting hole challenges and new “rules”. The on course drinks provided by First Financial Bank and Greater “C” Dental Lab was an unplanned treat that everyone loved as well!

We want to thank our amazing volunteers this year for helping make our day wonderful and full of extra laughs! Thank you to Katie Burba (Huntington Bank), Jennifer Codon (Guardian Life Insurance Company), Dr. Veronica Glogowski, and Krista Porter (First Financial Bank). Also, a big thanks to Cincinnati Insurance Company for donating a round of four to Four Bridges Country Club and golf shirts for the raffle.

We also want to give a HUGE shout-out to our amazing sponsors this year!

Monday, February 8, 2016  

*Back by Popular Demand!*  

Plan NOW to participate and/or attend this "favorite" meeting to be held on Monday, February 8, 2016 at Cooper Creek in Blue Ash. This has always been one of our best attended meetings, but we need your participation to make it a success. A complete listing of the topics will be included in the January 2016 Bulletin along with a reservation form. There will be no fee for CDS members as this is part of your membership dues. The fee for guests will be $30 each.

All members and their staff are encouraged to participate! Come and share your innovative ideas and/or techniques, promote new or old nuggets on dentistry or share and demonstrate a new or "tried and true" technique. Presentations can be simplistic in nature or rather lavish productions. However, please keep in mind certain AV requirements may have a fee attached.

Tables will be assigned on a first come/first serve basis and will be limited to eight (8). To apply, complete the "Table Clinic Application" below and return via fax, 513-984-3047.

---

**Table Clinic Application**

Electric outlet needed? _____ Yes  ______ No  ____________Other (please specify)

______________________________________________________________

Please return this form to the Cincinnati Dental Society by October 16, 2015. Thank you!
Yes, it is always a favorite for the Executive office. And it was no exception on May 18th when the group gathered for their semi-annual meeting.

As stated by Dr. Starnbach, The Cincinnati Eye Institute is the largest private ophthalmology group in the country. Dr. Richard Kerstine is a founding member of CEI and the speaker for the event.

In 2006, the CEI established the CEI Foundation whose mission is the vision care of the community.

The CEI Foundation supports the Roselawn Eye Clinic, the region’s only adult free eye clinic. They now have expanded to downtown and the west end.

The Foundation supports education to ophthalmologists, optometrists, and non-certified ophthalmic technicians. In addition, the Foundation supports various areas of other research.

For all the generous time that Dr. Kerstine has given to the Foundation, he was honored in November of 2014 as the first “Leader of Vision” at a gala event for approximately 300 people at the Netherland Plaza.”

The list of attendees at our RODEO meeting was: (Drs.) Ed Ball, John Bennet, William Black, Jack Gottschalk, Paul Logeman, Gilbert Minson, Bob Shively, Thomas Shrider, Leon Silverman, Howard Starnbach, Paul Staubitz, Jack Strong, Ralph Wyand, Louis Yauss, and Sanford Zussman. The next RODEO meeting is scheduled for Monday, October 19, 2015.
Our fifth “Leave No Vet Behind” event is underway. To date, our volunteers have donated over $450,000 in comprehensive dental care to Cincinnati Veteran’s who are not eligible for dental care at the VA Hospital, or unable to utilize Cincinnati Health Department and City of Cincinnati dental clinics due to financial constraints. In previous years some volunteers participated in the initial screening event and/or at our treatment day. Other volunteers treated Veterans in their private offices. A BIG thank you to you, and your staff, for being part of this worthwhile program!

**Hurray! We have great news!** We received a donation from an anonymous donor for our charitable programs. This year LNVB volunteers treating patients in their private offices will have the option of donating 100% of the care, or receiving up to 50% of their actual fee. This allows us to help you cover a portion of your overhead costs. For more information, please contact Vicki Nixon via email, vicki@cincinnatidental.org or by phone, 513-984-3222.

On Saturday, September 12, 2015 we will screen close to 100 Veteran’s and be providing treatment to some of those patients on Saturday, October 17th, at the Crest Smile Shoppe in Avondale. We anticipate having a lot of work to do so we can use your help!

**So how can you help?** Please take a look at the options below and fax (984-3047) this form to the CDS Executive Office by Friday, July 31, 2015.

- Count me in to help with the dental screenings on Saturday, September 12th at the Crest Smile Shoppe. I understand the time commitment will be 7:30 am to around 1.
- I am available to treat patients on Saturday, October 17th at the Crest Smile Shoppe. I understand the time commitment will be 7:30 am to around 1.
- I would be happy to provide care at my private office. Please refer (number) patients to my office.
- I am unable to volunteer. However, I would like to make a donation to the Foundation. Please make check payable to **CDS’s Oral Health Foundation** and mail along with this form to: Cincinnati Dental Society, 9200 Montgomery Rd., Suite 21-A, Cincinnati, OH 45242.

The Cincinnati Dental Society’s
Medical Emergency Recognition Course

Instructor: Jimmie L. Harper, Jr., D.D.S.

*The Ohio State Dental Board now requires EFDA’s and CDA’s to complete this course if their dentist plans to have them practice when he or she is not physically present in the office. This is the same course that RDH’s are required to take as well.

Date: Wednesday, September 16, 2015  CE Credits: (4) Hours

Time: 11:30 am Registration, 12:00 to 4:00 pm Program

Location: To be determined based on number of registrations.

Fees: $70 for CDS Members (Includes Associate Members)
$85 for ADA Members and $100 for Non-Members

Course Description: The Medical Emergency Recognition Course covers the identification and prevention of potential medical emergencies and includes the following:

1. Medical History;
2. Recognition of common medical emergency situations;
3. Office emergency protocols;
4. Basic airway management;
5. Prevention of emergency situations during dental appointments; and
6. Recognition of symptoms, first aid treatment and
7. Possible outcomes for patients who exhibit bleeding injuries, cardiovascular disease, insulin reaction, diabetic coma, shock, syncope, epileptic seizures and allergic reactions.

The course is four hours in length and fulfills the Ohio State Dental Board’s requirement of Dental Hygienists, Expanded Function Dental Auxiliaries, and Certified Dental Assistants practicing under general supervision.

Additional Information on Back of this Page.
The Cincinnati Dental Society’s Medical Emergency Recognition Course

Wednesday, September 16, 2015

About the Instructor: Dr. Jimmie Harper, Jr., graduated with a DDS degree and a certificate in training in Oral and Maxillofacial Surgery from The Ohio State University. He has been a member of the Cincinnati Dental Society since 1989. He served as Assistant Professor of Clinical Surgery and Program Director for the Division of Oral and Maxillofacial Surgery at University of Cincinnati. Dr. Harper became board certified by the American Board of Oral & Maxillofacial Surgery in March of 1988. In July of 1999, he was approved by the Ohio State Dental Board to teach the Medical Emergency Recognition Course for the Cincinnati Dental Society.

CDS Member Event

“Cincy Brew Bus Tour”

Join us as we ride the “Brew Bus” for an exciting event! Cincy Brew Bus is Cincinnati’s Original and Premier Taproom Tour. Each tour comes with 16-20 ounces of beer at each location. If possible, our amazing guides will even get us a tour of each facility. But no brew tour would be complete without a GIANT Servatii Pretzel. We have chosen 3 brewery tours which will span over the course of 4 hours.

Space is limited to 30 people, so be quick with getting your reservations in!!

Date: Friday, October 23, 2015

Schedule: Meet at 1:30 pm at Moerlein Lager House. Brew Bus will leave promptly at 2:00 pm for the tour.

Breweries: Ei8ht Ball, MadTree, and Rhinegeist

Cost: CDS Members - $65.00 ***Each additional person $55.00***

NO REFUNDS given if cancelled after October, 14, 2015.
Where has 2015 gone!? I know for me personally it has been a whirlwind of a year. Between work, my soon to be two year old son, and traveling to run half marathons, I never seem to get to sit still for very long! As everyone is enjoying their children/grandchildren home for the summer and planning your vacations, we once again are reminded just how truly blessed we are in this life. Squeeze your loved ones tightly because for some, this year has been a challenge.

We have some amazing programs continuing this fall as well as the introduction of something new and exciting for everyone!!

First, we will continue to volunteer at the Delta Dental Center at Oyler school as well as at Deaconess Health Check at Western Hills/Dater High School. We are always looking for volunteers (Dentists, Assistants, Hygienists, EFDAs). Bring the team or come solo. Our goal is to help every child in the schools receive the dental care they so desperately need and deserve, regardless of their ability to pay. You are an intricate part of that goal by providing dental care to those children who do not have access otherwise. We ask for just one (1) day a year (or more if you LOVE volunteering) from 9:00 am to 1:30 pm. You name the day, we set up everything, including the patients.

Second, the award winning “Leave No Vet Behind” Program is back! As you read in “Vicki’s Voice” we are seeking volunteers. You, yes YOU, can be part of this. How? You may ask. By helping with the dental screenings on Saturday, September 12th at the Crest Smile Shoppe, volunteering on the treatment day on Saturday, October 17th, OR providing care in your private office! We have something that works for every schedule. All you do is fill out the form in this Bulletin and fax it back to our office, and we will call you with final details.

Third, Mark your calendars for Friday, October 23, 2015. We have planned a wonderful CDS Member event. If you like craft beer and the Cincinnati area, this is the event for you! We are renting the Cincy Brew Bus. Details can be found in this Bulletin. Register early as spots are limited!

NOW, for that exciting news everyone has been waiting for…. Bum Bum BUMMMMM…. ODA members can pre-pay 2016 dues over 10 months. Yes, you read that right. You can now prepay your dues for 2016 at no additional cost. If money is tight or you just have too many things coming due at once, this program will help offset a sudden drain in the bank account. The details of this program, as well as the Installment Enrollment form, can be found on page 25. Monthly payments differ depending on the cost of each individual’s dues category, the cost of component society dues, and the time of year a member enrolls. New dentists in the reduced dues program can benefit even more by enrolling in the pre-pay installment program early on and paying their dues in smaller monthly installments before they transition into paying full active dues, which should make that transition even smoother.

For more information or to be enrolled in a pre-payment plan for 2016, call the ODA at (800) 282-1526 or email membership@oda.org to request an enrollment form.” Please note: To be eligible for this pre-payment plan, the Ohio Dental Association requires that your 2015 dues be paid in full.

Enjoy your summer and don’t forget to squeeze your loved one!!!
I, ________________________________________________, hereby acknowledge that I am enrolling in the 2015 installment dues program which will pre-pay my ADA, ODA and local dental society dues for 2016. The total amount of my dues will be an estimate based on my 2015 tripartite dues rate. My dues will be charged on an evenly spaced billing cycle, starting in February 2015, resulting in 10 payments, and concluding in November. My final dues payment in November will be adjusted if there was a change to the dues rates for 2016 since I am pre-paying my 2016 dues based on my 2015 tripartite dues rate.

Payment Method

☐ I would like my installments directly withdrawn from my checking account each month. I authorize the Ohio Dental Association to debit my account as outlined above, and I have enclosed a voided check. I understand that it is my responsibility to notify the ODA if I change my information. Any charges that come back denied will be charged a $35 fee payable immediately.

☐ I would like my credit card to be automatically charged each month. I authorize the Ohio Dental Association to keep my signature on file and to be charged as outlined above. I understand that it is my responsibility to notify the ODA if I change my charge information. Any charges that come back denied will be charged a $35 fee payable immediately.

☐ I would like to be billed each month and pay by check. I understand that returned checks will be charged a $35 fee, which will appear on the next month’s bill.

Credit Card Information:

☐ Visa ☐ Master Card ☐ American Express

THE CINCINNATI DENTAL SOCIETY’S

Infection Control and Regulatory Compliance in the Dental Office

DATE: Friday, November 6, 2015  CREDITS: Two (2) CE Credits

LOCATION: Cooper Creek at the Blue Ash Golf Course
4040 Cooper Road, 513-745-8596

TIME: 8:00 a.m. Registration & Continental Breakfast
Program 9:00 to 11:00 a.m.

FEES: First Person $70 for CDS Member * * $85 for ADA Member * * $110 for Non-Member
Additional Person(s): $40 each

COURSE DESCRIPTION:
This practical seminar will help dentists and team members understand and comply with the latest state and federal regulations affecting the practice of dentistry in Ohio. The information-packed session will focus on Ohio State Dental Board (OSDB) infection control rules, Occupational Safety and Health Administration (OSHA) Bloodborne Pathogens Standard and Ohio Environmental Protection Agency (OEPA) infectious waste disposal rules.

At the conclusion of the course, attendees should be able to:
• Understand the OSHA Bloodborne Pathogens Standard while also fulfilling the standard’s annual training requirement;
• Understand the OSDB’s infection control rules and;
• Understand the OEPA’s infectious waste disposal regulations.

SPEAKER: - Christopher A. Moore
Mr. Moore currently serves as director of dental services for the Ohio Dental Association. He has served at the ODA for nearly 30 years and currently administers the association’s third party payer, peer review, direct reimbursement, dental practice and regulatory compliance programs. Chris received a Bachelor of Arts degree from Case Western Reserve University and a Masters of Arts degree from Kent State University.

brux “C” crowns

Improving the esthetics of full zirconia restorations

Our full contour zirconia crowns are stained in the “green state” using our own custom formulas to accomplish a more esthetic full zirconia restoration.

• our brux “C” crown has a full infiltration of color - which eliminates bright spots during adjusting

• in-house mill for better quality control and consistency
