The Power to Influence

Recently, a new friend asked me what influenced my decision to become a periodontist. I was drawn to the field early on in dental school because I saw it as a complementary pursuit; a combination of thinking and doing that allowed me to solve puzzles with my mind and create solutions with my hands. But, at the end of the day, what pushed periodontics for me from an idea to a reality was an opportunity. That opportunity presented itself in the form of a mentor who I’ll call Dr. Norm.

By the time Dr. Norm showed up at Ohio State, he had built, operated, and sold both a periodontal and prosthetics practice. He developed two locations and split his time doing what he loved until he couldn’t do it any longer. What neither I nor anyone else in our clinic knew at the time was that Dr. Norm was dying.

Part of the reason we didn’t know was because of the passion and energy he poured into teaching us. He harnessed his years of private practice experience to question and challenge us about what we wanted out of our profession. He let me play periodontist in the undergraduate clinic. Quietly, out of sight of the clinic directors, we worked together to perform surgery. He gave me an opportunity that opened my eyes to my future.

I think the reason that Dr. Norm’s influence has stuck with me over time is simple. With nothing to gain, he broke the rules to give me the opportunity that set the course of my career. In his selflessness, he taught me to love our profession and pay it forward.

This spirit has a long history in our profession and we see it in all forms - from weekly neighborhood group lunches to study clubs to DentalTown. Dentists are a curious bunch and we are at our best when - with no other motive in mind - we share and learn from each other.

I often have the occasion to meet with “new” dentists. Some of these folks are working as associates in private offices, some are working as associates in corporate environments, and some are practice owners or partners. To a person, these “new” dentists are passionate about their patients, their craft, and their futures. They are entrepreneurial and driven to harness technology and take dentistry to its next level. And their ears are wide open.

So here is my challenge to the membership. Reach out to the dentist down the street and meet with them, especially if they’re a “new” dentist. Reinvigorate that lunch group that you used to look forward to each week. Re-engage in CE opportunities. Volunteer. Work to keep the profession healthy, independent, and entrepreneurial. These are the things that separate our profession from our medical and pharmacy colleagues. Pay it forward and watch the returns roll in.

…and never underestimate the power of small, selfless acts to influence someone else’s life. Thank you, Dr. Norm.

I think I blinked through the last two months! Wow, we were crazy busy, but having fun at the same time!

In the next couple of months you will be receiving information on several events that we have added to the calendar for 2016 and the 2017 Continuing Education booklet. We are considering changing back to the calendar, but that final decision has not yet been made. So, I encourage you to share this Bulletin with your entire staff. Remember, they are part of us, and this is the only way we can communicate the CE programs and events we have with them.

We are gearing up for our annual “Leave No Vet Behind” program. I am happy to report that the Foundation has received additional funding to help our volunteers cover up to 50% of their overhead expense if they choose. In this Bulletin you will find a sign-up sheet for volunteering to take veterans in your office. A sign-up sheet for the screening day will be sent by email soon once we have secured the date. So we know how many veterans we will be able to help, we encourage you to complete the sign-up sheet and return it to our office by August 12, 2016. Thanking you in advance for your support.

We have been partnering with CincySmiles Foundation on our Su Casa Adult Dental Care Program since October of 2015. We will continue to treat patients at the McMicken Health Collaborative until the end of 2016. We are not sure if this program will continue for 2017, so if anyone has an interest in volunteering on either a Monday or Friday until the end of 2016, please let Sasha Cantrell know, frontdesk@cincinnatidental.org. In addition, CincySmiles Foundation is in need of items that you may have too many of in your office. The details of their “dare to share” program is included in the Bulletin.

This is short, sweet, and simple – Have a Fun, Relaxing, and Safe Summer!

Until next time…

Call to Order:
The February Council meeting was held Monday, February 1, 2016 at the CDS Executive office. President, Dr. Matthew Parker, called the meeting to order at 6:50 pm.

Roll Call:
Members Present: (Drs.) Brandt, Chopra, Dorr, Glogowski, Hanlon, Kelley, Khetarpal, Murphy, Newby, Perrino, and Whitney and Wayne Wauligman. Members Absent: (Drs.) Heck, Schaeffer, and Osterday.

With the call for corrections to the December 7, 2015 minutes, there were none. Thus they stand approved.

President’s Report:
• Dr. Matt Parker, presiding at his first Council meeting as President, introduced new Council members (Drs.) Dan Kelley, Tom Perrino, and Whitney Wauligman.
• Dr. Parker reviewed the “Professional Conduct Policy and the Prohibition Against Harassment” with Council. The Conflict of Interest and Code of Conduct forms, signed by Council members and officers, were turned in at this time.
• He reviewed the openings on ODA Committees; Annual Session, Dental Education and Licensure, Ethics and Judicial Affairs, Finance, and Leadership Development. Terms are for two years with a maximum of three. They begin September 17, 2016.
• Next, Dr. Parker called for nominations for ADA positions for four year terms beginning October 2016. Three of the four yearly meetings are in Chicago. There is one position available for Access, Prevention and Inter-Professional Relations. There is one at-large position available for the Commission for Continuing Education Provider Recognition and the Commission on Dental Accreditation.
• Suggestions for the CDS Meritorious Service Award and the ODA Awards of Excellence should be directed to the Honors Committee or Vicki. They meet March 21, 2016. ODA Awards are: Distinguished Dentist, Achievement, Humanitarian, N. Wayne Hiatt Rising Star, and Access to Dental Care Program.
• A meeting has been scheduled with the UC Blue Ash Dental Hygiene Department to discuss the mid-level provider proposed bill. He, Dr. Schaeffer, Dr. Crowley, Dr. Harris and Vicki will meet with them on February 23.

Treasurer’s Report:
• Dr. Ruchika Khetarpal presented financial statements as of December 4, 2015. She also reviewed the reserve fund history and noted that our policy requires us to maintain at least 100% of the previous year’s expenses in reserves, which we are doing. There is an anticipated deficit of $1,000 for 2015, which is much lower than budgeted. Program expenses were down, and the CDS Oral Health Foundation purchased additional administrative support from the Society, which contributed to the lower deficit. The 990 tax forms should be ready for review by our next Council meeting. Continuing education income is down approximately $25,000 this year compared to last year at this time. Membership dues are also down this year, but we are still receiving checks from the ODA.

Executive Director’s Report:
Ms. Vicki Nixon reported the following:
• The Membership Directory is finished and ready for distribution. The next update on the Membership Directory will take place after March 31st, in 2017, which is the deadline for establishing the number of delegates.
• We now have a community and member only face book pages on our website. We are placing events, programs, announcements, etc. on facebook.
• Changes to the annual Leadership Manual we redistributed.
• Su Casa adult patients are being seen on the 2nd and 4th Friday of each month at the McMicken Health Collaborative. Volunteers are needed for these days.
• In order to utilize the grant from the Patterson Foundation, Sasha is being trained by Dr. Hayden to assist when we have a volunteer work, or with a McMicken dentist, on the Fridays.

• Upcoming events include: May 7th Shred-it Event scheduled 9 to 11 am and the March 14th event with Dr. Weinstein. During Vicki’s vacation, Ms. Sasha Cantrell will handle the February 8th and 10th events.

CDS Oral Health Foundation Update:
• The “Jack W. Gottschalk Notable Service” Award Ceremony will be held on Thursday, April 7 at the Cincinnati Woman’s Club in Clifton. The event starts around 6, dinner at 7 and the program at 8. Dr. Patty Walter will be the recipient posthumously for this award, and her husband, Peter will accept the award in her name. Patty’s family will be traveling from Louisville for the ceremony.

• The “Patty S. Walter, D.M.D. Memorial” Golf Classic will be at the Four Bridges Country Club on June 20, 2016. This year the proceeds will benefit the CDS Oral Health Foundation and The Bootsy Collins Foundation’s Kyle Willis Oral Care Program.

CDS Committee Updates:
• Access to Dental Care - Vicki reported this is the fifth year of the Lighthouse Youth Services Oral Health Program, headed by Dr. Becky Hayden. Work stations will include: Nutrition, brushing and flossing, and bad oral health habits. Dental care will be provided at the Crest Smile Shoppe.

• Membership - Dr. Andy Dorr reported as of February 1st, there are 143 members that have not renewed their dues. New members are: (Drs.) Andrew Baker, Rhonda Baldwin, Emily Boehm, Shawn Bell, Margaret Ernst, Alexis Mai, Trisha McNamara, Kyle Reynolds, David Schlueter, and Claire Siegel Gerhard. Two returning members are: (Drs.) Steven Johnson and Barry Simms. The Recruitment and Retention Workshop held on January 25, 2016 by the ODA went very well. Women, minority, and middle-aged dentists seem to be areas that need growth. Benco Dental Supply Company has a ‘blue chip program’ that the ODA will allow for dues payment. A small percentage of members are using it, but this should increase as more members become aware of the program.

• Program and the Public and Professional Relations had no meetings. However, with Dr. Steve Pick’s resigning from the P&P Relations Committee we are looking for someone to replace him.

ODA Updates:
• Access to Dental Care - Dr. Veronica Glogowski reported there has been no meeting since the last Council meeting. However, she reported that since 2003 there has been over twelve million dollars of care donated, and over 225,000 children have been served in Ohio.

• Annual Session - Dr. Dennis Murphy reported that this year there will not be a home OSU football game during the annual session. This may have a positive effect on Saturday attendance as the game is away at Oklahoma, probably starting at 8 pm. This year’s chairman is Dr. Gary Beten. Members of the Council, including Dr. Betsy Mueller, will be attending the Chicago and Atlanta Meetings for scouting of speakers. Dr. Brandt, Dr. Glogowski, and Vicki will go to the Atlanta Hinman Meeting to scout for CDS. Criteria for analyzing speakers are: number of attendees in room, demographics, course content, room design, and asking exiting enrollees their opinion.

• Dental Care Programs and Dental Practice - Dr. Manny Chopra, chairman of this Council, explained a number of issues their Council is dealing with at this time:
  - The ODA’s Executive Director, David Owsiany, and Director of Legal and Legislative Services, Nathan DeLong, presented a legislative update. The ODA has been advocating in opposition to a proposal that would create a new midlevel dental provider, or dental therapist, in Ohio, but so far no bill has been introduced. Also, Ohio’s dental Medicaid budget was increased by approximately $16.5 million over fiscal years 2016-17 as a result of the ODA’s advocacy efforts.
  - Dr. Henry Fields presented an update on the Ohio State Dental Board. Dr. Fields reported that the Board recently hired a new Executive Director, Harry Kamdar, who formerly served as the deputy director and chief financial officer at the Ohio Department of Health. The Board also hired a new Deputy Director, Lindsey Nash, who formerly worked for the Ohio Attorney General’s office. There are currently three open dentist-vacancies on the Board, two of which are reserved for specialists.
- ODA lobbyist Darrell Dever passed away suddenly last year. His partner, Adam Hewit, has since hired Bob Blazer, an experienced lobbyist, to join the firm.

- Dr. Chopra presented an update on a proposal that would require dental offices to install an amalgam separator.

- **ODA Foundation** - Dr. Ken Brandt reported that the new staff person, Kristy, is doing extremely well bringing new ideas to the table. Her fresh look is helpful.

- **ODPAC** - Dr. Parker said that, as much as ever, our support is needed. We will have a Capital Club event soon, which can be tied into supporting Dr. Joe Crowley.

- **Membership** - Dr. Ruchika Khetarpal stated there has not been a meeting since our last Council meeting. CDS will receive two awards at the ODA Leadership Institute; 2015 Membership Award Program for Success and Best Recruitment Effort, Large Component, and 2015 Membership Award Program for Success for our “Get to Know the Cincinnati Dental Society”.

**Announcements:**

- Dining and Datastry is February 8, 2016 at Cooper Creek in Blue Ash. There are eight different speakers.

Call to Order:
The April Council meeting was held Monday, April 25, 2016 at the Cincinnati Dental Society Executive Office. President, Dr. Matthew Parker, called the meeting to order at 6:45 pm.

Roll Call:
**Members Present:** Drs. Dorr, Glogowski, Heck, Khetarpal, Murphy, Newby, Perrino, Whitney Wauligman, and Wayne Wauligman. **Members Absent:** Drs. Brandt, Chopra, Hanlon, Kelley, Osterday and Schaeffer. Guests: Drs. Phil Howard and Steve Pick

The minutes from the February 1, 2016 Council meeting were previously revised. It was moved and seconded to approve them as such. The motion passed unanimously.

President’s Report:
Dr. Parker introduced Dr. Phil Howard, a member of the ODA Dental Care Programs and Practice Committee. He explained he is filling in for Dr. Manny Chopra and reported as follows:

- Regarding the Ohio State Dental Board, Director Harry Kamdar met with the OSU Dean and department chairs to try and achieve a level of co-operation between the College and the OSDB for an increase in the education of ethics for the students and graduates.
- The current representative to the American Board of Dental Examiners (ADEX) is Dr. Awadella. When her term expires at the end of the year, Dr. Mary Ellen Wynn will start.
- The OSDB license renewal and continuing education will become exclusively electronic.
- OSDB investigators will no longer have badges, but they will still have the same authorizations.
- The Dental Jurisprudence Exam is being updated. It will remain an open book test.
- The OSDB accepted that sleep apnea treatment is within the scope of dental practice. Treatment will be held to the same standard as sleep professionals. It is required that the patient have a complete sleep apnea test that determines need before proceeding.
- Hygienists can perform Veloscope scans, but the dentist must access and diagnose the results.
- A dentist must be practicing at least five years to be an expert witness.
- Continuing Education providers are being analyzed. There is a rolling audit of CE. The goal is to do 100 audits per month.
- For any adverse reaction requiring a patient to visit a hospital within two days of the event, the doctor must notify the Board within 30 days. If not timely, the Board will suspend any sedation permit. Dr. Howard left the meeting upon completion of his report for Dr. Chopra

Dr. Parker then presented Dr. Steve Pick with a plaque for his service on Council. Dr. Pick then discussed, as chairman of the ODA Peer Review Committee, the following:

- A proposed ODA Resolution to charge non-member dentists for peer review services. Peer review was previously considered only a public benefit. Now, non-ADA members are using these benefits with consequences and complications for the ODA and local societies. Seven of the nine on the ODA Executive Committee agreed to charge non-members. Nine states do charge. In 2012, 12% of those utilizing peer review were non-members, in 2013 it was 16%, in 2014 it was 20%, and in 2015 it was 48%. Discussion ensued and there were no objections to proceeding with the Resolution.

Treasurer’s Report:
- Dr. Chris Heck and Ms. Nixon reported they are still working with Barnes Dennig on the completion of the Society’s IRS Form 990. The filing date has been extended to August 30th.

秘书报告：
- 道尔·沃利格曼读了一封信给道尔·乔·克劳利，感谢该学会对他的ADA总统竞选活动的贡献。

执行主任报告：薇姬·尼克松
- Su Casa举办了一个晚宴，该学会被邀请。然而，没有人能参加。
- 有一门课程在UC Blue Ash为认证牙科助理学习冠部抛光。
- 奥伯勒博士联系了尼克森女士，关于在西部山丘/戴特诊所为认证牙科助理进行窝沟封闭课程。
- 会员委员会将有两次“新成员”活动。尼克森女士报告说她收到了ADA的资助。第一次新成员活动在五月十九日的后台活动中心。理事会成员和会员委员会应该计划出席。在这次活动中，马特·帕克将就我们学会做综述。大卫·奥斯延、内森·德隆和肯·布兰特也将发言。
- 年度“了解CDS”活动将在九月二十二日在胡桃槽赌场举行，与前一年一样，将有圆桌讨论。
- APTIFY项目，一个为所有三个级别提供组织牙科数据的项目，需要尼克森女士和坎特雷尔女士在哥伦布参加培训。尼克森女士说她和坎特雷尔女士对项目及其相互连接印象深刻。在七月的哥伦布，我们将进行“实际”操作。她将在六月十三日的理事会会议上报告更多信息。
- 三年期的牙科选项项目即将到期。辛辛那提微笑基金会将不会在2016年后管理这个项目。我们的学会被问到是否申请该基金。整个俄亥俄州的责任超出了CDS办公室可以承担的范围。约有六百名患者仍在等待治疗。
- 节目委员会成员将访问各种研究俱乐部，讨论适合新成员和年轻成员的继续教育类型。

CDS的口腔健康基金会更新：薇姬·尼克松和肯·布兰特
- “杰克·W·戈特施考克DDS显著服务奖”庆典进行得很顺利。它在辛辛那提妇女俱乐部举行，大约有80名参与者，与去年相同，参加了。为了纪念已故的Patty Walter，她的丈夫Peter接受了奖项。Patty S. Walter, D.MD. Memorial高尔夫锦标赛小册子被寄给所有成员。我们还在寻找赞助者。

CDS委员会更新：
- Access to Dental Care – 三月会议取消。下一次会议定于2016年10月17日，然而，委员会可能在五月有一次电话会议。
- Membership Committee - Dr. Andy Dorr报告了两名即将返回的成员，他们分别是Robert Bertsch和Chris Omeltchenko。其他新成员是Dr. Christi Lahey, Cynthia Ledermeier, Kimberly Oberlander,和Hossein Aram。关于会员续费，我们有29名非续费。他们的类别是：15名活跃，4名生命，4名研究生，1名退休，24名第四届，21名第一届，和12名第二届。这代表了24,125美元的会员收入的减少。有两次请求减免费用。
- 道尔·沃利格曼报告了Program Committee。在三月的希曼会议中，Program Committee的成员积极审查了许多演讲者。Wauligman博士特别赞扬了Brandt博士的演讲者知识和研究能力。为了避免冲突，我们提供我们信息给ODA，以供他们的年度会议演讲者。
- Dr. Steve Pick之前报告了Public and Professional Relations Committee，该委员会的初级联盟的牙科展览在博物馆中心本周是开放的。
ODA Updates:

- Dr. Veronica Glogowski reported for “Access to Dental Care” that Cincy Smiles Foundation will no longer be in charge of Dental OPTIONS after 2016. “Donated Care – Write It Up” can be captured via computer. “Smiles for Seniors” Program was sunset. No one has applied yet for a grant from the ODA Foundation for an Access to Dental Care Program. The applicant must be a 501(c)(3) entity.
- Dr. Dennis Murphy reported the Annual Session Committee met at the Leadership Conference and will meet again at the end of June.
- Dr. Parker reported for ODPAC that money is being dispensed as it is an election year. There is a capital improvements bill to provide funds for the OSU College of Dentistry to be reconstructed. A condition will be to “set aside ten slots from underserved counties” as those students are more likely to return to their home counties.
- For the ODA Membership Committee, Dr. Ruchika Khetarpal reported 26 dentists took advantage of the Benco Blue Chip Program to pay their dues. There is a predictive model from the ADA describing those who are at risk of not paying their membership dues. For 2017 the goal is to do more for group practice member dentists. Due to low dental college membership in organized dentistry, an OSU Faculty Lunch and Survey was held. It was discussed to add a liaison for large group practices. The APTIFY Program discourages the pre-payment of tripartite dues. The Executive Committee plans to charge credit card fees for payment plans that use a credit card. The next Committee Meeting is May 20th.

New Business and Announcements:

- The Shredding Event is May 7th at the CDS Executive Office.

Our sixth “Leave No Vet Behind” event is underway. To date, our volunteers have donated over $650,000 in comprehensive dental care to Cincinnati Veteran’s who are not eligible for dental care at the VA Hospital, or unable to utilize Cincinnati Health Department and City of Cincinnati dental clinics due to financial constraints. In previous years some volunteers participated in the initial screening event and/or at our treatment day. Other volunteers treated Veterans in their private offices. A BIG thank you to you, and your staff, for being part of this worthwhile program!

Hurray! We have great news! We received additional funding for our charitable programs. This year LNVB volunteers treating patients in their private offices will have the option of donating 100% of the care, or receiving up to 50% of their actual fee. This allows us to help you cover a portion of your overhead costs. For more information, please contact Vicki Nixon via email, vicki@cincinnatidental.org or by phone, 513-984-3222.

On Saturday, October 22, 2016 we will screen close to 100 Veteran’s. We anticipate that some treatment may be rendered depending on urgency of the situation.

So how can you help? Please take a look at the options below and fax (984-3047) this form to the CDS Executive Office by Friday, August 26, 2016.
