WHO EXAMINES YOUR INSURANCE COVERAGE?

Your patients trust you to make recommendations to keep them healthy. You can have that same confidence knowing that your local independent insurance agent representing The Cincinnati Insurance Company will suggest the right combination of coverages to protect the practice you’ve worked hard to build.

Find an independent agent representing The Cincinnati Insurance Company by visiting cinfin.com or by calling Mike Terrell, 800-769-0548.
As many of you may already know, I am the current Chairman of the Council on Dental Care Programs and Dental Practice at the Ohio Dental Association. Our Council has the responsibilities for addressing the regulatory and advocacy concerns of our members. In relation to our advocacy efforts, once a year, we get the opportunity to participate in a grassroots meeting in Columbus, the Day at the Statehouse. This year, on Wednesday, April 26th, we have the occasion to speak, one on one, with our local legislators about the dental issues that affect oral health in Ohio.

The first topic that we will be discussing is Dental Therapists. The Kellogg Foundation has funded an effort in Ohio through the Universal Health Care Action Network of Ohio to promote and create a new dental provider called a dental therapist. This individual would be, with just 3 years of training, allowed to provide a diagnosis, treatment plan, fillings, extractions, administer local anesthetic, and supervise dental hygienists and dental assistant. The ODA lobbying team is constantly working to educate our policymakers on the dangers of this proposal. We believe that the scope of practice for these dental therapists is much too extensive for the minimal training proposed. We further believe that only a licensed dentist should perform irreversible surgical procedures.

The next item for discussion is the Non-covered services bill. For many years, dental insurance companies have been telling dentists what they can charge for procedures that they do not cover. This creates hardships for dental offices and interferes with the dentist patient relationship, and can limit patient choices. This can possibly force some patients to forgo preferred treatment options or disrupt continuity of dental care by forcing patients to go to another dentist for certain procedures. The ODA supports legislation that would prohibit dental insurance companies from being able to dictate fees dentists charge for services not covered by the insurer.

Cosmetic Medical Procedure Tax- currently the states sales tax does not apply to health care services. The proposed 2018-2019 state budget bill would extend the states sales tax to “cosmetic” medical and dental services. This would be a dramatic change in Ohio policy which has consistently exempted most professional services from this sales tax. This not only drives up the cost of care for Ohio’s dental patients, it further leaves it to the Department of Taxation to determine whether a certain procedure is cosmetic or functional. The ODA opposes applying the states sales tax to any dental service.

Tele-dentistry- The ODA is pursuing legislation to update the Ohio Dental Practice Act to permit dentists to utilize tele-dentistry to extend the reach of the dental team into underserved communities. This ODA backed bill will also expand the capacity of the Ohio Dentist Repayment Program, which created incentives for dentists to provide dental care to underserved communities in designated dental professional shortage areas. This further targets specific scholarships in the Choose Ohio First Program for dental students who agree to practice in designated underserved areas upon graduation.

The ODA Day at the Statehouse provides the opportunity for our legislators to hear directly from dentists who live and practice in their districts on these issues.
Healthy Habits.

Typically, in March I attend the ODA Leadership Institute in Columbus. Unfortunately, very important issues kept me from attending. However, I understand it was a worthwhile event and we had some new CDS members who attended. I am sorry that I had to miss it! But, when I look back on previous year’s events, I am always amazed at the camaraderie that takes place. It has always been a special event to me as I not only get to see dentists coming together, but I get to interact with my fellow Executive Directors. As your Executive Director, (by the way 17 years on Valentine’s Day), I am always amazed at the hard work that the Ohio Dental Association’s staff does on your behalf, and mine. They are truly dedicated and believe in you, your profession, and the difference you make in people's lives. I am so very proud to be part of such a great profession. Thank you!

Seventeen years is a long time, and often, I think back on my first day. I was much younger then, of course, but had no idea that I would become an advocate of dentistry and “my” members of our Society. I can get a little sappy now and then, so bear with me on this Vicki’s Voice.

I have had the pleasure of working side by side with some amazing people, but also seeing our members at our continuing education courses and CDS Member events. You don’t even know how much all of you have touched my life. See, what did I tell you, sappy, but true!

So, let’s talk about three incredible people we have, and will, be honoring.

**Dr. Joe Crowley** – What an unbelievable reception we had for him on March 9, 2017, thanks to the support from The Dental Care Plus Group. He and his wife, Pauletta, were surrounded by friends and colleagues. What an honor for us to have Dr. Crowley serve as our ADA President, which will begin in October of this year. Among the laughter were comments, “Joe will serve us well”, “He did not have to do this, but he wanted to, he felt an obligation”, “This is not about Joe, it is about protecting the integrity of our profession” – the comments went on, and on, - it was truly an evening to remember. Congratulations Dr. Crowley!

**Dr. Linda Smith** – Many of you may not know this about Dr. Smith, so I am honored to tell you. Dr. Smith gave so much of her time to execute the mission of the “Cincinnati Center for Children’s Dentistry”, the Society’s first foundation, providing dental care to underserved children. It all began with a big kick-off during Dr. Dale Siemer’s year as president. Our very first fundraiser was at TPC golf course. From that day forward Dr. Smith worked endless hours helping to design the Roselawn Dental Center so our volunteer dentists could help children that had no access to dental care. Dr. Smith started the beginning of many great endeavors that we know of today. Yes, there were many others involved, and we say “thank you”. However, her “it can be done determination” is what made it happen! We will be honoring her, and all those that have given their time and talent for our Foundation’s chartable programs on April 6, 2017 at The Metropolitan Club. Dr. Smith will be receiving the “Jack W. Gottschalk, D.D.S. Notable Service Award” established in 2015. It will be a fun, casual, evening where we can all say “thank you” to her and each other.

**Dr. Patty Walter** – Although no longer with us, Dr. Walter will always be remembered for her kindness and dedication to helping others. She was serving as president of the Children’s Oral Health Network when she passed away. One project that she was very involved with was the school based dental center at Academy of World Languages. The dental center will be part of a school based community health center to open in the Spring of 2018. To honor her commitment to this project, the CDS’s Oral Health Foundation will be partnering with the Children’s Oral Health

As a dentist owned and directed dental carrier, **Superior Dental Care** (SDC) is proud to support the Cincinnati Dental Society in the work they do to advance our local dental community.
Call to Order:
The December Council Meeting was held Monday, December 5, 2016 at the Cincinnati Dental Society Executive Office. President, Dr. Matthew Parker, called the meeting to order at 6:58 pm. The CDS Mission and Antitrust Statements were presented to Council prior to the Order of Business.

Roll Call:
Members Present: (Drs.) Ken Brandt, Manny Chopra, Andrew Dorr, Veronica Glogowski, Mary Ann Hanlon, Chris Heck, Ruchika Khetarpal, Dennis Murphy, Monica Newby, Bryan Osterday, Matthew Parker, Tom Perrino, Michael Schaeffer, Wayne Wauligman and Whitney Wauligman.
Members Absent: Dan Kelley

The minutes from the November 7, 2016 Council Meeting were approved unanimously.

President’s Report: Dr. Parker

- Asked for volunteers for various open positions on Ohio Dental Association Committees and Councils. The following accepted nominations are: Finance, Dr. Chopra, Dental Care Programs and Dental Practice, Dr. Hanlon, Annual Sessions, Dr. Murphy.
- Reported Dr. Chopra was appointed by Dr. Kevin Laing, ODA President, to serve on the ODA Governance Task Force on Re-districting. Every ten years the ODA looks at organizing districts to accommodate and strengthen smaller Societies with larger ones. Based on the number of members, these nine sub-districts are allocated delegates and alternates to the ODA House of Delegates.
- For 2017, our delegate count to the ODA House of Delegates went from 15 to 16. We will pull one delegate from the pool of alternate delegates and appoint someone as alternate.
- Reported there are open positions on CDS committees. For the Nominating Committee, Dr. Parker will be on this committee by virtue of office as the Immediate Past President. Dr. Schaeffer will be chair and Dr. Newby will renew her one-year term position. Dr. Whitney Wauligman has recently joined the Program Committee, and Dr. Glogowski agreed to serve another three-year term on Program. Dr. Osterday also expressed an interest in joining the Committee if there becomes an opening.
- Due to the necessity of making a timely reservation, the celebration reception for ADA President-elect, Dr. Joe Crowley, will be held on Thursday, March 9, 2017 at Cooper Creek in Blue Ash.

Treasurer’s Report: Dr. Heck

- Presented our current financial status for 2016 and our proposed operating budget for 2017. He reported we may have a $14,000 deficit at year end. It may be covered by a reserve account transfer. This deficit is largely due to our program income being down again this year. Ms. Nixon reported we set aside $20,000 in 2015 for this possible deficient. Dr. Heck continued that our member event costs are higher this year. Dr. Chopra moved, seconded by Dr. Murphy, to approve the 2017 budget as written; the 2017 operating budget passed unanimously.
- Dr. Khetarpal continues on the Finance Committee as Treasurer in 2017.
Executive Director’s Report:
- Ms. Nixon reported that the Fall Feast event was again held at the Convention Center on Thanksgiving Day. A total of 143 individuals, including 13 children, were screened. The children were in good shape. All but three did not have dental insurance. Of the adults, 30% just needed a cleaning, but 70% needed fillings and/or oral surgery. Some already see dentists. Seventy-nine adults had Medicaid insurance. Overall, the event volunteers handed out 1200 bags of necessities. The free haircuts were popular. Dr. Dorr, and his wife, Debbie collected back packs and coats that were also handed out at the event.
- Regarding staffing for the Society, Ms. Nixon is redefining the position of Administrative Assistant and will report back at our next Council meeting.
- All veterans have been assigned to volunteer dentists and/or specialists. Another 75 were referred to us from various places after the screening date. These patients have been referred to the McMicken Dental Center.

CDS Committee Updates:
- **Access to Dental Care Committee** meeting is March 6, 2017.
- **Program Committee** meeting is April 24, 2017.
- **CDS Oral Health Foundation** - Dr. Ken Brandt reported:
  - The next Foundation meeting is December 12, 2016.
  - The annual “Jack Gottschalk, D.D.S. Notable Service” Award ceremony will be at the Metropolitan Club in Kentucky on April 6, 2017. The recipient is Dr. Linda Smith.
  - Since Dr. Patty Walter was president of the Children’s’ Oral Health Network, the Board has decided to work with them on a fundraiser in 2017. Proceeds will benefit both our Foundation and COHN. A golf outing, is more than likely, not the type of fundraiser that will be held.
  - Council agreed to hold a “social” golf outing in 2017. Drs. Khetarpal, Osterday and Chopra offered to co-ordinate this event with Ms. Nixon’s help.
- **Membership** - Dr. Dorr informed us Dr. Eric Brown purchased Dr. Jerome Siegel’s practice. Three new CDS Associate members are: (Drs.) Richard Chanin, Craig Hewitt, and Derek Ross. Dr. Scott Schwartz, a pediatric dentist at Children’s Hospital, also joined as a new member.

ODA Updates:
- **Access to Dental Care** - Next meeting January 13, 2017.
- **Annual Sessions** - Dr. Murphy reported:
  - The ODA Annual Session and House of Delegates is scheduled for September 14-17, 2017.
  - Judges are needed for table clinics, which will be on Friday after the House of Delegates.
  - The Exhibits will be open longer on Thursday by a half hour.
  - The ODA is looking into providing a bus transport for a day to the Annual Session for staff. It would return home the same day. Thus, there would be no parking or lodging fees.
- **Dental Care Programs and Dental Practice** - Dr. Chopra, chair of the Council, reported:
  - The Dental Therapist Bill is scheduled for proponent testimony tomorrow. This is before the Government Oversight Committee. If the Committee doesn’t vote on it, it dies. Likewise, the non-covered services bill likewise dies.
• **Membership Services** - Dr. Khetarpal reported:
  o The large practice focus group event was held at Eddie Merlot's, and even though one person showed, there was good exchange of information/ideas.

• **Subcouncil for New Dentists** – Dr. Heck reported:
  o The “Match Event” at the 2016 ODA Session went well. The subcouncil received great feedback and will make improvements for next year.
  o Another possible event, possibly held at the ODA Leadership Institute, would be to match dentists looking for an employee, partner or replacement dentist.
  o An unofficial Ohio Young Dentists’ Facebook page has been created.

• **ODA Foundation Board** - Dr. Brandt reported:
  o The Foundation is considering not making the grand prize a new car. This prize has always been declined as the winners prefer the $20,000 instead. Foundation tickets were sold as singles, two, and six pack tickets. The two-pack ticket option was a big hit.
  o Drs. Jim Cottle of Batavia and Manny Chopra are new members of the Foundation Board. Dr. Cottle is a member of the ASDA (American Student Dental Association).

• **ODPAC** - Dr. Schaeffer reported they had their second-best year. Cincinnati had the highest overall total contributed.

**New Business**
Dr. Brandt suggested that we could have ASDA student members attend our CDS seminars and/or CE lectures to learn the latest ideas and items of interest. To work, meetings must not conflict with the Dental Colleges’ schedules. Ms. Nixon reported this may fit in with the ODA grant for a new members’ event involving dental students/ASDA members. Dr. Brandt noted the intent would be to build a Cincinnati network among students of the dental colleges.

**Announcements: Dr Parker noted the following:**
- January 13, 2017 is the Installation Dinner at the Kenwood Country Club.
- February 3, 2017 is the complimentary CE course with Dr. Dennis Brown presenting “Everyday Restorative: Tips to Make Your Clinical Life Easier and More Predictable.”
- February 6 is the next CDS Council Meeting.

Dr. Parker thanked Dr. Glogowski for her service as this was her last Council meeting. This was also Dr. Parker’s last meeting as President; he remarked time has flown by. He was thanked and applauded by Council.

The meeting adjourned at 8:21 pm.

**Vicki’s Voice** (continued from Page 5)

Network for this year’s fundraiser. Keeping Patty’s love for life as the focus of this event, we are planning the “Dr. Patty Walter’s Memorial Annual 5K Run/Walk” on Saturday, October 14, 2017. Proceeds from this event will help fund the dental equipment at AWL. We are very excited about having an event that is open to all members, their families, their staff, the community, etc.

So, mark your calendar for 10/14/17 and be part of a fun day, including a “tooth fairy” costume contest!

I am certain there are many of our members that give back on a daily basis, so I want to personally thank you for all that you do! It truly has been honor of being your Executive Director for 17 years. It is amazing that I am still 39 years old after all of those years!!!! 😊
Another Great Event!

So, Save-the-Date!
Back by popular demand! Our annual “Get to Know the CDS” event!

Round Table Discussions on Thursday, September 21, 2017

Location: Jack Casino *** Time: 6:15 pm
Details on the round table topics will be coming soon!

CDS’s Oral Health Foundation is pleased to announce the
Dr. Patty Walter’s Memorial Annual Tooth Fairy 5K Run/Walk Event on October 14, 2017!

This event will be fun for the entire family, and all for a great cause!
Registration details and sponsorship opportunities will be out soon!
For now, please mark your calendar and plan to attend!

Partnering with the Children’s Oral Health Foundation to benefit the
Academy of World Languages School Based Dental Center

2017 Calendar of Events

APRIL

Meetings
April 3: Council Meeting begins at 7:00 p.m. Members who wish to attend should contact Vicki Nixon at 984-3222 or submit your topic/issue via email: vicki@cincinnatidental.org.

April 24: Program Committee meeting at 6:30 pm at the Executive Office.

CDS Member Event
April 10: University of Cincinnati Medical Center's AEGD 2016-2017 Resident's Table Clinic" at Marriott Kingsgate Conference Center. This is a complimentary event for CDS Members. Additional information on page 11.

Continuing Education
April 28: “Avoid Liability: Know Your Patients’ Medications and Their Impact on Dental Treatment”

Location: Sharonville Convention Center, 11355 Chester Road, 513-771-7744

Schedule: 8:00 a.m. Registration ** 8:30 a.m. Program

Staff Invited: Dental Hygienists, Dental Assistants and Administrative Personnel of registered dentists.

CE Credits: 6.5 CE Credits

About the Program: Your patients are living longer thanks to their medications but many of the physician-prescribed medications used by your patients have dental implications and side effects affecting your treatment plan. Some of these medications are the drugs of choice of “doctor shoppers”. Some medications are more likely to cause violent behavior and others can cause a “scalded mouth syndrome” and in fact, others may cause sexual dysfunction. Should I use caution when prescribing NSAIDs with antihypertensive? Is antibiotic prophylaxis required for patients with orthopedic prostheses? And lastly, should I use caution with the patient using “medical marijuana”?

This presentation includes the indications, contraindications, and side effects of some of the more common physician- prescribed medications. These medications represent 30% of all prescriptions taken by your dental patients and familiarity with these drugs will provide the dental practitioner with a better appreciation for the health profile of your dental patient.

At the conclusion of this course, the attendees will know:

- Prescription, OTC medications, and foods that could adversely interact with dental drugs.
- Why your patient is taking their medications.
- What oral side effects may be caused by these medications?
- Accepted uses and dental implications of “medical marijuana”
- Maximum doses for commonly prescribed pain medications.
- When not to prescribe NSAIDs.
- How to manage patients taking some of the newer anticoagulant medications
- What is a monoclonal antibody?
- How to combine analgesics to maximize their effects.
- Indications and contraindications for opiate analgesics.
- Current recommendations for SBE and orthopedic prosthesis prophylaxis

Continued on Page 13
About the Speaker: Dr. Crossley is Professor Emeritus at the University of Maryland Dental School. A native of Rhode Island, Dr. Crossley received a Bachelor of Science degree in Pharmacy from the University of Rhode Island in 1964. He later was awarded the Master of Science (1970) and Doctorate degrees (1972) in Pharmacology. The University of Maryland Dental School in Baltimore awarded Dr. Crossley the D.D.S. degree in 1980. The liaison between the classroom and his part-time dental practice produced a practical approach to understanding the pharmacology of drugs used in the dental office.

Dr. Crossley has co-authored a number of articles and four books dealing with a variety of topics within the field of pharmacology. Other areas of expertise include the pharmacology of street drugs and chemical dependency. He serves on the Maryland State Dental Association’s Well-Being Committee, is an active member of Phi Kappa Phi, Omicron Kappa Upsilon Honorary Dental Society, the American College of Dentists, International College of Dentists, and an honorary member of the Thomas B. Hinman Dental Society. He was the recipient of the 2008 Gordon Christensen Lecturer Recognition award presented by the Chicago Dental Society and the recipient of the 2012 Award of Distinction presented by the Academy of Dentistry International for his efforts in Continuing Dental Education. He has been a consultant for the United States Drug Enforcement Administration and other law enforcement agencies since 1974. Drawing on this unique background, Dr. Crossley has become nationally and internationally recognized as an expert on street drugs and chemical dependency as well as the clinical pharmacology of dental drugs.

2017 Calendar of Events (continued from Page 13)

**MAY**

**Meetings**  
May 1: Finance Committee meeting at 6:30 pm at the Executive Office.  
May 15: Membership Committee meeting at 6:30 pm at the Executive Office.  
May 22: CDS’s Oral Health Foundation meeting at 6:30 pm at the Executive Office.

**CDS Member Events**  
May 6: Annual Shredding Event at the CDS Executive Office from 9 to 11:00 am. Details are on page 19.  
May 8: “An Update on Current and Emerging Regulatory Issues” by Christopher Moore and Nathan DeLong, with the Ohio Dental Association, at Cooper Creek in Blue Ash. This is a complimentary event for CDS Members. Additional information on page 16.

**Continuing Education**  
Location: Sharonville Convention Center, 11355 Chester Road, 513-771-7744  
Schedule: 8:00 a.m. Registration ** 8:30 a.m. Program  
Sponsored In Part by: Cincinnati Insurance Co., The Dental Care Plus Group, First Financial Bank, Greater Curve, Henry Schein Dental, Superior Dental Care, US Bank, and Ultradent Products, Inc.  
Staff Invited: Dental Hygienists, Dental Assistants and Administrative Personnel of registered dentists.  
CE Credits: 6.5 CE Credits  
About the Program: This fast moving “bottom line” course includes the areas of dentistry with the most activity and change in any given year. It is easily understood and has numerous summaries that help attendees to interpret the ongoing advancements in the profession. The course encourages audience participation, and questions and answers and is presented in an enjoyable and humorous manner.  
The hottest aspects in the following topics will be included in the planned program depending on the interests of the participants in your group, the popularity of topics at the time of your program, and the time available.

**Course Objectives:**  
At the end of the course participants will know:  
1. List the most important and useful new techniques in the general topics selected by your group  
2. List the most important and useful materials discussed in the general topics selected by your group  
3. List the most important and useful new concepts discussed in this course  
4. Implement those aspects of the course most applicable to your practice

**About the Speaker:**  
Gordon J. Christensen is Founder and Director of Practical Clinical Courses (PCC), Chief Executive Officer of Clinicians Report Foundation (CR), and a Practicing Prosthodontist in Provo, Utah. Gordon and Dr. Rella Christensen are co-founders of the non-profit Clinicians Report Foundation (previously named CRA), which Rella directed for many years. Since 1976, they have conducted research in all areas of dentistry and published the findings to the profession in the well-known CRA Newsletter now called Clinicians Report.

Gordon’s degrees include: DDS, University of Southern California; MSD, University of Washington; PhD, University of Denver; and two honorary doctorates.
Early in his career, Gordon helped initiate the University of Kentucky and University of Colorado dental schools and taught at the University of Washington. Currently, he is an adjunct professor at the University of Utah, School of Dentistry. Gordon has presented thousands of hours of continuing education globally, made hundreds of educational videos used throughout the world, and published widely. Gordon and Rella’s sons are both dentists. William is a prosthodontist, and Michael is a general dentist. Their daughter, Carlene, is a teacher.

Gordon is a Diplomate of the American Board of Prosthodontics, a Fellow and Diplomate in the International Congress of Oral Implantologists, a Fellow in the Academy of Osseointegration, American College of Dentists, International College of Dentists, American College of Prosthodontists, Academy of General Dentistry (Hon), Royal College of Surgeons of England, and an Associate Fellow in the American Academy of Implant Dentistry.

Some of his other memberships include: American Academy of Esthetic Dentistry; International Association of Dental Research; Academy of LDS Dentists; American Academy of Restorative Dentistry; American Academy of Fixed Prosthodontics; Academy of Operative Dentistry; and International College of Prosthodontists.

“An Update on Current and Emerging Regulatory Issues”

Date: Monday, May 8, 2017  
Location: Cooper Creek in Blue Ash, 4040 Cooper Road  
CE: One (1) Hour  
Fee: Complimentary for CDS Members ~ $30 per Guest  
Schedule:  
6:15 p.m. Appetizers and cash bar  
7:15 p.m. Program

COURSE DESCRIPTION:
This lecture will provide an update on current and emerging regulatory issues impacting dentistry in Ohio, including regulations recently adopted by the Ohio State Dental Board and Ohio Board of Pharmacy as well as proposals currently being considered by the Ohio General Assembly.

COURSE OBJECTIVES:
1. Current and emerging regulations relevant to practicing dentists,
2. The impact such regulations are likely to have on dental practices.

SPEAKERS: - Christopher Moore, ODA Director of Dental Services
Chris currently services as director of dental services for the ODA. He has been with the ODA for 28 years and administers the associations’ third party payer, peer review, Carnation Dental/Direct Reimbursement, dental practice and regulatory compliance programs. Chris received his Bachelor of Arts degree from Case Western Reserve University and Masters of Arts degree from Kent State University.

Nathan DeLong, ODA Director of Legal and Legislative Services
Nathan joined the ODA staff in April of 2015 as Director of Legal and Legislative Services. Originally a resident of Circleville, Ohio, Nathan moved to Columbus in 2007. He earned a Bachelor of Arts in Business Leadership and Management from Capital University then earned a Juris Doctor from Capital University Law School where he graduated magna cum laude and as a member of the Order of the Barristers. During his time as a law student, Nathan participated on the National Moot Court Team, served as Associate Justice for the Moot Court Executive Board, and earned the top grade in Appellate Advocacy. Nathan became a member of the Ohio bar in November 2014, and is currently an active member of the American Bar Association, Ohio State Bar Association and Columbus Bar Association.

How long do I have to keep my dental charts?

The Supreme Court of Ohio recently upheld the constitutionality of the state’s four-year statute of repose in medical and dental malpractice actions. A statute of repose is a provision that sets a time frame in which a legal right extinguishes. In other words, the statute of repose places an effective time limitation on when dental malpractice suits may be filed against a treating dentist. Ohio’s statute of repose bars actions filed more than four years after the date of treatment, except in the case of those patients who are mentally infirm and with minors, in which case the four years begins to run upon emancipation.

Dentists had previously been instructed to retain patient records indefinitely to aid in the defense of a lawsuit. However, this favorable court ruling may help relieve dentists’ record-keeping burden. There may be circumstances where a dental office must maintain records for a certain period of time; for instance, the retention requirement for Medicaid records (6 years) and Medicare records (7 years). Participating provider agreements also generally specify record retention requirements, as well as many professional liability insurance agreements. Dentists are encouraged to obtain guidance from legal counsel and their malpractice insurer prior to the disposal of any patient records and to seek guidance on establishing a new record retention policy.

Since 1968
Member GKAS Events!

Dr. Richard Cronley spoke with 105 Waynesville Elementary 1st graders on oral health. A total of $1,000 in free dental education was well received and appreciated!

Dr. Veronica Glogowski had an event on February 17, 2017 and saw 19 children, performed 19 oral exams, 20 x-rays, 18 cleanings, 18 fluoride treatments, and 8 sealants. One week later, she completed 3 restorations and one sealant as follow-up. Total care provided, $6,005.00.

Dr. Sunny Pahouja had an event at her Lifetime Smiles office on February 3, 2017. She saw 30 children, performed 30 oral exams, 28 cleanings, 28 fluoride treatments and 4 sealants, which equated to $5,144 in free dental care.

Dr. James Pierce saw 31 children at his Amelia East Family Dentistry office on February 3, 2017. He provided $5,477 worth of dental care, which included oral exams, x-rays, fluoride treatments, and cleanings. Follow-up care will be provided at his office in the amount of $7,077.

Keep up the good work! If you would like to share your good news with us, complete the “Keeping in Touch with CDS…Got Some News to Share?” form that is included in this Bulletin.
