WHO EXAMINES YOUR INSURANCE COVERAGE?

Your patients trust you to make recommendations to keep them healthy. You can have that same confidence knowing that your local independent insurance agent representing The Cincinnati Insurance Company will suggest the right combination of coverages to protect the practice you’ve worked hard to build.

Find an independent agent representing The Cincinnati Insurance Company by visiting cinfin.com or by calling Mike Terrell, 800-769-0548.
Welcome to our honored guests, past presidents, member dentists, friends and families.

I wanted to start by thanking everyone here, for their commitment to organized dentistry and in your support of our Cincinnati Dental Society. Our profession has a strong future, through the dedication and efforts of our volunteer member dentists. Our Cincinnati Dental Society continues to be a leader in Ohio as we address various challenges facing our profession. We will likely see changes in dental practice modalities, a growing diversity in our dentist population, with changes in patient spending patterns and demand for dental care.

Through the cooperation of the American Dental Association, Ohio Dental Association and the Cincinnati Dental Society, I believe, that we, together, will be able to impact the mission statement of the Cincinnati Dental Society- to support, educate, and advance the interests of its members, while educating and serving our community.

Every one of our dental members is a valuable asset to our community. Through the ongoing commitment of our volunteer dentists, with their staff and families, we have been able to provide patients, a positive dental experience at the local level.

Among our programs, are those that serve; Veterans, Children, Immigrants, Underprivileged Youth, Low Income and Homeless Cincinnatians.

For Veterans, the Leave No Vet Behind program provides complimentary dental care to veterans that are not eligible to receive care at a VA Medical Center.

For Children, Our Give Kids a Smile Program and Children's Specialty Care Programs have provided donated dental care to the most vulnerable children in our community.

For Immigrants, the Su Casa Adult Care program has provided educational and clinical dental evaluations to our Hispanic/Latino community.

For Underprivileged Youth, the Lighthouse Youth Services community program has provided valuable education on the importance of oral hygiene and optimal dental health.

For our Underprivileged Adults, the Dental Options program has matched low income Cincinnatians with dentists who have discounted or donated dental services for this underserved population. Also, our Fall Feast of volunteer dentists with their families provides oral exams on Thanksgiving Day to our homeless population, who may not have a dental home. If any one of these opportunities interests you, please let us know.

Among the challenges facing our dental profession, are improving access to, and the affordability of dental care. Irrespective of age, income level and the type of dental insurance utilized, more Ohioans report financial barriers to receiving dental care. Let’s see how we can work together to impact these concerns.

Another focus of our Cincinnati Dental Society is maintaining and growing the strength of our membership. The practice of dentistry is ever changing, and we need to accommodate these changes so that all dentists feel welcome to join our cause.

A great deal of effort will be focused on our purpose to help all members succeed. Regardless of the practice model, age, gender or specialty – volunteer participation is vital to removing potential barriers in access to dental care for all. This service guided pathway is not only good for our community, but also for our profession.

I am so thankful for being given this opportunity to serve. I could not have done any of this without the support of my wife Elizabeth, daughter Priya and son Kasey; and without the sacrifices of my dental staff here with me tonight. Please enjoy this video from the American Dental Association to support the efforts of our member dentists.

Thank you.
You don’t have to bank here and we know it. In fact, you can bank anywhere you are—call us and we’ll come to you! With over 110 years of serving the dental community we are a full service bank providing our customers with a full suite of financial services including:

Happy New Year!
Here’s to another great year!!!

I would like to take this opportunity to thank Dr. Matt Parker for all that he, and his team, accomplished in 2016. He and members of Council gave so much of their time and talent, and I want to personally say “YOU ROCK”! Their dedication to their profession and Society is to be commended. I will miss having Dr. Parker sit to my left, but am I looking forward to working with Dr. Chopra and having him at the head of the table by my side!

A big thanks to:

2016 Executive Committee – (Drs.) Matt Parker, president, Manny Chopra, president-elect, Mike Schaeffer, vice president, Chris Heck, treasurer, Wayne Wauligman, secretary, and immediate past president, Tom Perrino.

2016 Council Members – (Drs.) Ken Brandt, Andy Dorr, Veronica Glogowski, Mary Ann Hanlon, Dan Kelley, Ruchika Khetarpal, Dennis Murphy, Monica Newby, Bryan Osterday, and Whitney Wauligman.

Members serving on our committees did a super job at fulling their responsibilities. Many enjoyed the committee so much they signed-up again for another term. A complete list of 2016 committee members is included in this Bulletin. If any committee strikes your “fancy”, let me know. We would love to have you join us! A special thanks to Dr. Mike Lee, our Bulletin Editor, for serving in 2016!

We have some exciting events and programs that will be taking place in 2017, so pay close attention to my future faxes, e-blasts, our Face Book page, Bulletins, and Newsletters. This is the only method we have of distributing information to you and your staff. Speaking of staff. We are partnering with the American Association of Dental Office Managers (AADOM) this year on a half-day program for dental office managers and dental administrative assistants. Yes, dentists are welcome to attend as well, so go to page 26 of this Bulletin for further details. If this program is a success, we will continue to partner with AADOM on future programs.

Two other events that are right around the corner are the “Celebration Reception” for Dr. Joe Crowley, who was recently elected ADA President-Elect. This event will take place at Cooper Creek in Blue Ash and is sponsored by The Dental Care Plus Group. Plan to attend this reception to show your support and appreciation for his outstanding accomplishment! The other event is our annual “Jack W. Gottschalk, D.D.S. Notable Service Award” reception. This year’s recipient is our one and only, Dr. Linda Smith. She is so deserving of this award, and I know she would be thrilled to have you join her the evening of April 6, 2017 at The Metropolitan Club.

Oh, yes, I must not forget about our golf outing! We are moving back in time to when it was a social event and not a fundraiser. We have a task force working on the details, which we hope to have out to members soon. But for now, mark your calendar for June 16, 2017.

Stayed tuned for the “Highlights of 2016” in our upcoming Cincinnati Dental Society’s Oral Health Foundation Newsletter! I wish each and every one of you a healthy, and happy 2017! See you soon!!!!
MORE INSIGHT

helps you make the most of your practice’s cash flow.

KNOW YOU HAVE A DEDICATED BANKER WHO UNDERSTANDS YOUR INDUSTRY AND YOUR NEEDS.

As a healthcare professional, you want to spend more time helping patients and less time worrying about your finances. With dedicated Healthcare Business Bankers, PNC provides tools and guidance to help you get more from your practice. The PNC Advantage for Healthcare Professionals helps dentists handle a range of cash flow challenges including insurance payments, equipment purchases, and managing receivables and payables. In such a fast-moving business, PNC understands how important it is to have a trusted advisor with deep industry knowledge, dedication and a lasting commitment.

ENSURE ACCESS TO CREDIT | ACCELERATE RECEIVABLES | IMPROVE PAYMENT PRACTICES | MONITOR & PROJECT CASH | PURSUE FINANCIAL WELL-BEING

Call to Order:
The November Council Meeting was held Monday, November 7, 2016 at the Cincinnati Dental Society Executive Office. President Dr. Matthew Parker, called the meeting to order at 6:48 pm. The CDS Mission and Antitrust Statements were presented to Council prior to the Order of Business.

Roll Call:

The minutes from the September 12, 2016 Council Meeting were moved by Dr. Heck and seconded to be accepted as amended. The motion passed unanimously. The amendment is to change “Columbus Dental Society” on page 3 to “Greater Cleveland Dental Society” who is considering dropping its’ continuing education courses.

President’s Report:
• Dr. Parker reported there are ODA Council At-large positions available for: Access to Dental Care, Dental Care Programs and Dental Practice, and Membership Services.
• There is a call for nominations to the Ohio State Dental Board. The governor must appoint members to the Board. Meetings are about nine times annually. April is the projected time of appointment.
• 2017 CDS Committee openings in 2017 are for the Access, Programs and Peer Review.
• March 9th is the tentative date for a celebration reception for ADA President-elect Dr. Joe Crowley at Cooper Creek in Blue Ash.

Treasurer’s Report:
• Dr. Chris Heck, Treasurer, explained we will likely have a $4,000 deficit at this year’s end. The Committee will be meeting to discuss the 2107 budget. Presented to all were the CDS Balance Sheet as of 10/31/2016 and the Profit & Loss Budget vs. Actual for January through October 2016.

Executive Director’s Report:
• Ms. Vicki Nixon distributed to all a schedule of 2017 CDS Council, Committee, CE and CDS Member Event dates.
• Calls for Medicaid referrals to participating clinics can total up to forty per day in the Executive Office.
• The September 22nd CDS member roundtable event at Jack Casino was well attended. It was challenging to get the attendees to move to the next table due to their interest. Likewise the Family Friendly Tailgating Event was fun, but quite a bit of work. Forty-five people attended.

Continued on Page 8
CDS Oral Health Foundation Update: Dr. Brandt reported:

- Drs. Linda Smith and Frank Wright are going off the Board. Dr. Wayne Wauligman, Butch Stenger from Henry Schein Dental, and Matt Yamamoto from Patterson Dental are joining the Board effective January 1, 2017.
- He and Ms. Nixon attended the Health Fair at Su Casa. Those who are accepted to our Su Casa Adult Dental Care Program will need to present proof of income as one of the criteria for eligibility.
- Dr. Linda Smith will be this year’s recipient at the “Jack W. Gottschalk, DDS, Notable Service” Award on April 6, 2017 at the Metropolitan Club in Northern Kentucky.
- The recipient of the “Patty S. Walter DDS Memorial” has yet to be confirmed for 2017.

CDS Committee Updates:

Access to Dental Care: Dr. Ken Brandt

- The Lighthouse Youth project will continue next year with an expansion of providing dental care the day of the event. Dr. Brandt and Ms. Nixon explained this will be the sixth year. The OSU Van, we hope, will be part of the event.
- Dr. Brandt described the upcoming Fall Feast at the Duke Convention Center on Thanksgiving Day from 9:00 to 1:00. “It is neat to see the people in need come in, receive winter coats, meals, haircuts, blood pressure checks, dental exams, eye exams, flu shots, diabetes screenings and referrals for further help.” Dr. Andy Dorr informed Council of his wife’s involvement arranging pick-up from McCauley, St. Xavier and Saint Ursula schools of coats and back packs. He is storing them for now at his office to be given away at this event.

Membership Committee: Dr. Andy Dorr

- Since the CDS New Member Event with roundtable discussions held at Jack Casino was well attended, “We intend to do it again.”

Program Committee: Dr. Dennis Murphy

- The 2017 continuing education programs are ready and are posted on our website. “We have excellent lecturers for next year. Dentists from other Societies have signed up for our courses. We have secured speakers for 2018, 2019, and are working on 2020.” New committee member, Dr. Whitney Wauligman and Vicki Nixon may scout at the Chicago Mid-Winter Meeting.

Public and Professional Relations Committee: Ms. Nixon

- Our Bylaws do not require this committee to meet annually or at all. The members of the committee agree they have gone as far as they can for now. They still wish to serve on an as needed basis. They also see a necessity to tweak the CDS web site at some point in the future.

ODA Updates:

Annual Session Committee: Dr. Dennis Murphy – nothing to report at this time.

ODPAC: Dr. Mike Schaeffer – We received the largest donation amount ever this year, but from fewer people. The next meeting will be this Friday.
Access: Dr. Ruchika Khetarpal

- The Dental Options Program has had no referral coordinator since October 1. No one has been found to take over so far. Dr. Brandt explained that our attempt to do it ourselves is on hold. Their program’s database is not viable.
- Representatives from Medicaid met with the Council to help obtain more dentists to accept Medicaid.
- Dr. Kevin Lang, ODA President, desires to push other counties in Ohio to conduct “Give Kids a Smile” events.
- For a public service program, check out mouthhealthy.org.
- If doing donated care remember to write it up and send it in to Vicki. She will then forward to the ODA.

Dental Care Programs and Dental Practice: Dr. Manny Chopra

- The deadline for dentists to register with Medicare has been moved to January 1, 2019. There is an ODA color chart in the last ODA Today explaining the choices for every dentist to consider.
- Payments to dentists are lower as fewer adults are visiting dentists, the supply of dentists is rising, dental colleges have increased, and PPO’s are paying less.
- Regarding the Dental Therapists Bill, it is still stuck in Senate Committee. Dental Therapists in Minnesota have not had any impact on their dental emergency room visits. Some of the therapists can’t find jobs.
- There is a budget shortfall at the Ohio State Dental Board due to a full staff and a full complement of board members. The Board is modifying its rules after a lawsuit ended with a specialist (endodontist) being permitted to practice general dentistry. Look for further updates as this discussion continues.
- Continuing education requirements will be able to be posted at the Board’s website in order to keep track.
- There is still a Board requirement to report an adverse reaction requiring a patient to be taken to the hospital caused by a dental procedure. It must be reported within 24 hours to the Board.
- House Bill 95 regarding non-covered services is dormant for now and may need to be reintroduced.

Dr. Chopra clarified the following statistics presented at Council in a later email: According to the National Association of Dental Plans, the percentage of benefit dollar going to actual dental care is: for dental HMOs – 68%, for dental PPOs – 80% and for indemnity plans – 81%. According to the ADA, the percentage of benefit dollar going to actual dental care for DR plans is between 88-92%.

Membership: Dr. Ruchika Khetarpal

- Membership noted Aptify reports from the ADA will be improved by April.
- ODA President Dr. Kevin Lang has pledged $10,000 for promoting New Member events throughout Ohio.
- The Columbus Dental Society uses “Event Bright” for reservations to member events.
- Large group practices would like representation on the Ohio State Dental Board.
- On the ODA web site there is a “Join Now” button. It takes a prospective member to the site for details on how to join.

Continued on Page 10
ODA Foundation: Dr. Ken Brandt

- The ODA Loan Repayment Program only specified that new members, not all, should pay an increase in dues to help fund this Program. Thus, it is not working as planned at the House of Delegates this past September.

ADA House of Delegates Update:

- Dr. Chopra, as ADA Delegate from Ohio, reported the ADA House of Delegates voted Dr. Joe Crowley as President-elect. He won overwhelmingly. ADA dues will be going up $10 annually. For 2017 ADA dues will be $532. There are new guidelines for IV sedation and new opioid regulations.

Announcements:

- The November 11 & 12 CE Program and Workshop is with Dr. Dale Miles on Cone Beam.
- The last Radiology Update Course for 2016 is Friday, November 18.
- The next Council Meeting is Monday, December 5.
- The annual Installation Dinner is January 13, 2017 at the Kenwood Country Club.

Council adjourned at 8:38 pm.

FEBRUARY

Meetings
February 6: Council Meeting begins at 7:00 p.m. Members who wish to attend should contact Vicki Nixon at 984-3222 or submit your topic/issue via email: vicki@cincinnatidental.org.

February 20: Membership Committee meeting at 6:30 pm at the Executive Office.

February 27: CDS’s Oral Foundation Board meeting at 6:30 pm at the Executive Office.

CDS Member Event

Continuing Education
February 3: “Everyday Restorative: Tips to Make Your Clinical Life Easier and More Predictable” by Dr. Dennis Brown. This is a complimentary continuing education program for CDS Members as our way of saying THANK YOU for being a member. Additional information is located on our website: www.cincinnatidental.org.

MARCH

Meetings
March 6: Access to Dental Care Committee meeting at 6:30 pm at the Executive Office.

March 17-18: Ohio Dental Association’s Leadership Institute. For additional information, please visit their website: www.oda.org.

March 20: Honors Committee meeting at 6:30 pm at the Executive Office.

CDS Member Event
March 9: Celebration reception for Dr. Joseph Crowley, newly elected ADA President-Elect. Event to be held at Cooper Creek in Blue Ash. Please see page 15 for details.

March 13: “Risk Management” by Michael A. Terrell to be held at Eddie Merlot’s. Additional information on page 16.

Continuing Education
March 3: “Occlusal Failure in the General Dental Practice Making Occlusion Simple” by William “Bo” Bruce, II, D.M.D.

Location: Sharonville Convention Center, 11355 Chester Road, 513-771-7744

Schedule: 8:00 a.m. Registration ** 8:30 a.m. Program

Sponsored In Part by: The Dental Care Plus Group, First Financial Bank, and GlaxoSmithKline

Staff Invited: Dental Hygienists, Dental Assistants and Administrative Personnel of registered dentists.

CE Credits: 6.5 CE Credits

About the Program: Failures can destroy a dental practice. Dentists must have predictability in everyday practice. This course will give you the principles of occlusion that you must know in a simple and understandable way. Everyday changes in occlusion in the dental practice and some changes are good and some are not. You will gain a refreshing simplistic look at this amazing masticatory system.

Continued on Page 12
2017 Calendar of Events (continued from Page 11)

Course Objectives: At the conclusion of the course, the participant should be able to:
1. Know how to avoid the number one failure in your practice
2. Understand the “must know” principles of occlusion and why joint movement is so important in the general practice
3. Learn how to identify what level of breakdown a patient has in their temporomandibular joint space
4. Know which patients are safe to work on and which ones are dangerous

About the Speaker:
Dr. William ‘Bo’ Bruce received his D.M.D. degree from the Medical University of South Carolina in 1998. Subsequently, he completed residency training in St. Petersburg, Florida. After completing his training, Dr. Bruce opened a practice in Simpsonville, South Carolina. His practice is geared towards solving complex restorative and aesthetic problems. Dr. Bruce is an Affiliate Professor in prosthodontics at the Medical University of South Carolina College of Dental Medicine.

Dr. Bruce is an internationally recognized speaker on occlusion and esthetics with predictability. He has been a featured lecturer for The Chicago Mid Winter, American Equilibration Society, American Dental Association, and AACD just to name a few. Dr. Bruce has been selected as one of the top 200 dental educators in the world for the past 7 years by Dentistry Today. He has authored and published numerous articles and is a consultant for several dental manufacturers.

Dr. Bruce is co-founder of Upward Dental, an educational company focused on implementing dental excellence. In 2007, Dr. Bruce an Accredited Member of the American Academy of Cosmetic Dentistry. Dr. Bruce and his wife Lisa have 3 children, Preston (15), Zachary (13), and Megan (11). His favorite hobbies are teaching dentistry and camping with the family.

Supported in part by: Cincinnati Insurance Company

“How to Avoid Notifying Your Professional Liability Carrier of a Potential Claim”

By: John D. Holschuh, Jr., Esq. and Allison G. Knerr, Esq.

The program is designed to advise on ways to avoid having your patients complain to an attorney about your care. The presentation is designed to provide real life examples of cases where patients have complained to us regarding their dentists and things the dentist could have or should have done that, in our opinion, would have avoided legal involvement. As you know, once an attorney contacts you regarding patient care, you are generally required to notify your insurance carrier with all of the consequences associated therein. In the event a malpractice claim is threatened, the presentation will also discuss steps you need to take, and the basics of the types of claims and damages you may face.

Schedule: 6:15 pm to 8:45 pm
Location: Maggiano’s Little Italy-Kenwood
7875 Montgomery Road
(513) 794-0640

Dinner: Appetizers will be Served

Cost: Complimentary for Cincinnati Dental Society Members
Guests, including CDS Member Staff - $35 per person

March 9, 2017

Celebrating the election of
ADA President-Elect
Dr. Joseph P. Crowley!

Members are invited to celebrate this magnificent accomplishment with Joe, as he will be the first president from Ohio since Frank Casto, Cleveland, served from 1934-35.

Location: Cooper Creek in Blue Ash-Pinehurse Banquet Room
4040 Cooper Road, Blue Ash, Ohio

Time: 6:00 to 9:00 pm  Cost: No Charge

We thank The Dental Care Plus Group for their support of this event!

--------------------------

Yes, I will attend. Phone: 

My name is: 

Dr. Crowley has extensive travel with his new position. In the unforeseen circumstance that his travel prevents him from being in Cincinnati on March 9th, plan B will be implemented.
Cincinnati Dental Society Member Event  
Monday, March 13, 2017  
“Risk Management” by: Michael A. Terrell  
at  
Eddie Merlot’s on Montgomery Road  
(10808 Montgomery Rd., 45242)

Fee: Complementary for CDS Members ~ $30 per Guest  
CE Credits: One (1)

Schedule: 6:15 p.m. Heavy Appetizers and Cash Bar *** 7:15 to 8:15 p.m. Program

COURSE DESCRIPTION: The presentation will identify several topics on claims - causes of claims, common mistakes made by dentists, severity of claims, trends and typical claim payments. We will then discuss documentation of patient records, developing and maintaining a rapport with patients, informed consent and the procedure for terminating a dentist’s-patient relationship. Final discussion will be on coverages to look for in your policy, risk management concerns other than professional liability, and employment practices liability.

COURSE OBJECTIVES:
1. Help dentists avoid common mistakes that lead to lawsuits.
2. Convey the importance of communication with patients.
3. Provide a better understanding of the liability exposures dentist’s face.

SPEAKER: Michael A. Terrell, CPCU, RPLU, CIC
Graduating from Wilmington College of Ohio in 1981 with a B.A. in business, Mike started his insurance career with The Cincinnati Insurance Company as a commercial underwriter. He is Assistant Vice President and Manager of the Dentist Program. He earned his Chartered Property Casualty Underwriter in 1990, Registered Professional Liability Underwrite in 1997 and Certified Insurance Counselor in 2001. He is a Board member of the Cincinnati Dental Society’s Oral Health Foundation.

Dentists assisting Dentists

Program Description

Purpose
To allow a group of general dentists to assist each other in case of unexpected disability, family emergency or death with organizational assistance from a committee formed for that purpose by the Cincinnati Dental Society (CDS). This helps keep patients in the stricken dentist’s office until such time as the dentist returns or the practice is sold. A stricken dentist must be registered as a volunteer with the DaD program prior to becoming a recipient of aid under the program.

Disability is defined as any medically substantiated long-term illness or injury in which a stricken member is expected to be unable to perform any function of his or her dental practice for a minimum of 21 days. This program is designed for use ONLY in the STRICTEST FORM OF EMERGENCY (i.e. heart attack, stroke, broken arm etc.) and is not intended to be used for planned, elective absences from the office. Routine pregnancy leave does not qualify for office coverage during the anticipated maternity leave. However, complications concerning pregnancy either before or after delivery may qualify as a disability.

Benefit
In times of true emergency DaD members will avail themselves to provide services to the patients of the stricken dentist for an initial period 30 days with an option to continue another 30 days up to a maximum of 90 days (or less if the stricken dentist can return). In the event that the stricken doctor is unable to return in that time frame, locum tenens can be arranged, or the practice can be disposed of. Volunteers will provide hygiene supervision, preventive care, emergency treatment or referral to appropriate specialists, and routine restorative care (that can be completed in a single visit). New patients can be scheduled with the understanding that they will be re-examined at no charge when the stricken dentist returns to the practice. Volunteers will provide services for three and one half days per week during normal working hours. The process of receiving aid is initiated by notifying the executive director of the Cincinnati Dental Society of the need. The DaD committee will then review and approve the application for assistance. The DaD committee may deny applications for aid for cause including, but not limited to, failing to comply with the stated purpose of the DaD program. There will be a two week waiting period after the application has been received and approved to allow for notification of all participating volunteer dentists.

Responsibility of Volunteer Participants
All dentists must hold an active unrestricted dental license issued by the Ohio State Dental Board to become a recipient of aid or act as a volunteer participant in the DaD program. All volunteers agree to schedule time in the stricken doctor’s office at the rate of one half day per 30 day period for a 3 month period. Volunteers understand and agree that their own practice schedule may need re-arranging to accomplish this and are willing to do so. Volunteers will not be asked to provide services you do not normally perform in your own office. No prosthetic procedures will be started. The volunteer dentist will complete and sign the patient’s progress note. Failing to schedule a half day to work when asked to do so by the stricken dentists receptionist will result in removal from the DaD coverage list until re-instated by the committee. Volunteer dentists must carry malpractice insurance and is responsible for the dental care provided while working in a stricken dentist’s office. Only the patients of the stricken dentist may be seen in the stricken dentist’s office as part of this program.

Responsibility of Stricken Dentist’s Staff
The office personnel will call the CDS executive director for DaD protocol, application for DaD aid and list of participants. The office personnel will contact the volunteers and coordinate the scheduling. All business functions will be provided. Chair side assistance for the volunteer will be provided. A list of specialists for referral must be provided, in addition to a list of laboratories. All patients must be notified in advance of the identity of the substitute dentist. Inform volunteer what procedures are scheduled for them (to avoid having to reschedule because the volunteer doesn’t do that procedure, i.e. endodontia or extraction). If prosthetic or other laboratory dependant procedures cannot await the return of the recipient dentist, consultation with the volunteer dentist must occur to determine the willingness of the volunteer to complete the treatment. Keep accurate records (form provided) of which doctors worked and pertinent comments and return them to CDS office. Any fees collected for dental services provided under this program shall remain with the stricken dentist’s office. This is a volunteer program.

Responsibility of Recipient Dentist
Execute an application for DaD aid. Provide all equipment, supplies and auxiliary personnel for volunteer dentists. Sign an “Agreement and Release” prior to the assignment of a volunteer dentist. Provide positive pressure oxygen (N20 machine is insufficient). Hold an unrestricted dental license issued by the Ohio State Dental Board (in order to receive aid).

Removal from Program and Re-instatement
Participating dentists who do not comply with the terms of the program or not a member of the Cincinnati Dental Society will be terminated from the program by the DaD committee. Any dentist unwilling to schedule a session when called upon by the stricken dentist’s receptionist will be reported to the committee chair for removal from the list of aid eligible recipients. Reinstatement can occur if the doctor “catches up” with his fellow panel members by working assigned half days. To make this program work volunteers and their staffs will likely be inconvenienced.
I, ___________________________________________________________ do hereby agree to participate in the Cincinnati Dental Society's DaD program for the year 20 ______ to 20 ______ and agree to abide by the stated guidelines.

I understand that failure to abide by the stated guidelines will result in termination of participation in the program.

Please print clearly.

The Cincinnati Dental Society’s Medical Emergency Recognition Course

Instructor: Jimmie L. Harper, Jr., D.D.S.

*The Ohio State Dental Board now requires EFDA’s and CDA’s to complete this course if their dentist plans to have them practice when he or she is not physically present in the office. This is the same course that RDH’s are required to take as well.

Date: Wednesday, September 27, 2017

CE Credits: (4) Hours

Time: 11:30 am Registration, 12:00 to 4:00 pm Program

Location: CDS Executive Office, 9200 Montgomery Rd., Conference Room 20-A

Fees: $70 for CDS Members (Includes Associate Members)
$85 for ADA Members and $100 for Non-Members

Course Description: The Medical Emergency Recognition Course covers the identification and prevention of potential medical emergencies and includes the following:

1. Medical history;
2. Recognition of common medical emergency situations;
3. Office emergency protocols;
4. Basic airway management;
5. Prevention of emergency situations during dental appointments; and

The course is four hours in length and fulfills the Ohio State Dental Board’s requirement of Dental Hygienists, Expanded Function Dental Auxiliaries, and Certified Dental Assistants practicing under general supervision.

Additional Information on Back of this Page.
The Cincinnati Dental Society’s Medical Emergency Recognition Course

Wednesday, September 27, 2017

About the Instructor: Dr. Jimmie Harper, Jr., graduated with a DDS degree and a certificate in training in Oral and Maxillofacial Surgery from The Ohio State University. He has been a member of the Cincinnati Dental Society since 1989. He served as Assistant Professor of Clinical Surgery and Program Director for the Division of Oral and Maxillofacial Surgery at University of Cincinnati. Dr. Harper became board certified by the American Board of Oral & Maxillofacial Surgery in March of 1988. In July of 1999, he was approved by the Ohio State Dental Board to teach the Medical Emergency Recognition Course for the Cincinnati Dental Society.

The Cincinnati Dental Society is an ADA CERP Recognized Provider approved by the Ohio Dental Association.
