We are developing a “CDS Office Email” program. If you are interested in your office receiving, via email, any and all notifications that are normally sent just to CDS members, then pay close attention to this request.

Simply complete the form on page 3 and return it to our office via fax, 513-984-3047. We hope this new program will increase the effectiveness and efficiency of communication between our office and yours. By signing up for the program your staff will learn firsthand about programs and events, not only pertinent to you, but to them as well.

So, we ask you, please put this newsletter in your lunch room or at the front desk to share with your staff. Remember you can always find upcoming programs and events on our website, www.cincinnatidental.org.
